

The Town of Hadley now has maps and assessment information available online.

Listed below is the web address of our online GIS:

<http://www.caigisonline.com/HadleyMA/>

There are still a few bugs that are being worked out of the system. If a parcel does not have data attached to it, please call our office at (413) 586-6320 and we will be happy to provide you with the information.
