

GOODWIN MEMORIAL LIBRARY TRUSTEES AND PLANNING & DESIGN COMMITTEE NEED YOUR OPINION!

**Architects Johnson Roberts Associates
will present the options for the site of
Hadley's library of the future**

Monday, Sept. 28th at 7pm in Town Hall

We've listened to your survey responses and have
multiple site options in the center of town.

Hear the pros and cons of each.

Let us know what you think.

Input from the town is a critical part of this process.
A library design will be on the Town Meeting Warrant in May.
We want to hear from you.
