#### GREASE TRAP INSPECTION

Grease trap inspections occur annually in the spring. A brief questionnaire is mailed prior to your scheduled inspection. Along with your questionnaire, we request documentation related to your grease trap cleaning – please have these documents available and your questionnaire completed for your grease trap inspection. You can give it to the Assistant Chief Wastewater Operator, John Waskiewicz, on inspection day.

The fee for the grease trap inspections is \$100.00, and is due on inspection day. Make checks payable to: *Town of Hadley*.

If you have any questions about your grease trap or the inspection process, please call John Waskiewicz at: 413.262.5036 or email him at: [asstsewer@hadleyma.org](mailto:asstsewer@hadleyma.org).
