

Application for Water Service

Department of Public Works - Water Division
Hadley, MA

I hereby apply to the Water Department for service pipe and use of water at my premises.

No. W _____ - _____

Date: _____

Name: _____ Email Address: _____

Address: _____

Phone # _____ Start Date: Service/Construction: _____

Location of Water Service: _____

Pipe Size _____

Water Service is for: Commercial ☐ Residential ☐ Industrial ☐

REQUIREMENTS:

1. A Neptune T-10 Integrated E-Coder meter in cubic ft. must be installed and tested before the water is turned on. Locks are required on all meters.
2. A Back Flow Preventer is required on ALL services. Backflow Preventers for businesses shall meet the requirements of the Hadley Water Department and the Commonwealth of Massachusetts. Plans must be submitted to the Hadley Water Department for approval.
3. Town Collector/Water Department Billing Clerk shall be notified as soon as water is turned on. Office hours are 9:00a.m. – 4:00p.m. Monday – Friday; phone number: (413) 584-4246
4. Water Department shall be notified of serial number and meter location **before** water is turned on.
5. Prior to backfilling the water service pipe trench, the water service line must be inspected from the curb box to the proposed water meter location by the Hadley Water Department – **24-hour notice is required.**
6. **Water service lines over 100 ft. must have meter pit and tracer wire.**
7. A 24-hr. notice to the Hadley Water Department is required for turning water on or shutting water off, *except in the case of an emergency. No one except Water Department personnel to turn water on or off.* Call (413) 586-8756 to schedule.
8. Applications are good for 6 months **from date of issue.**
9. Attach a diagram of the lot on which the proposed water service is to be located – see below for requirements of drawing submittal

The above is a full and fair statement for all uses of water. Subject at all times to the rules and regulations of the Hadley DPW Water Commissioners and the Water Department.
