Draft Meeting Minutes – February 14, 2023

Motion to Approve: T. Neyhart

Second: J. Spanknebel

Approved: Unanimously

Unfinished Business: No Report

Committee Reports: Assignment Updates

Group discussed entertainment, gatherings and food trucks and how to define where it is allowed as a general zoning bylaw. Food trucks would be a general bylaw. Bylaw would define food trucks as an example group discussed Ice Cream vendor on Lawrence Plain. T. Quinlan stated that in his opinion this would be grandfathered. If a general bylaw is put into place there would be no grandfathering

J. Maksimoski will try to put something down and get it out to members regarding food trucks for comments. J. Spanknebel stated that J. Maksimoski, M. Spanknebel and T.Quinlan will go over food truck info.

T. Quinlan reported that Peter Gelinas would like to bring comments and suggestions to group regarding the 4 unrelated. J. Maksimoski wants Amherst/Northampton 4 unrelated bylaw with definition of "unrelated term" Next meeting we will have Peter Gelinas for 9:30am.

Group discussed concerns of snow, leaves, sand, etc in the roadway and M. Spanknebel and T. Quinlan to meet with Scott McCarthy, DPW Director, to discuss.
