## **6:30 PM**

### **Other Business**

The continuation of an informal discussion related to the project proposed by the Town's DPW for replacement of the headwalls on the north and south sides of a culvert on Knightly Rd. A file number has not yet been issued, though a submission has been made to DEP and NHESP by Nick Cristofori on behalf of Comprehensive Environmental LLC, the engineer representing the project. The commissioners and audience members may ask any questions and raise any concerns at this time. Once a file number is issued with DEP commentary and NHESP has reviewed the proposed plans, the commission can schedule a public hearing.

### **Bills & Correspondence**

#### **Minutes**

#### **Other topics**

The Annual Report for 2021 has been written and submitted; copies provided for review. Address Shyla with questions/concerns.

### **Upcoming Learning Opportunities**

- Mass Open Space virtual conference, every Thursday in February, webinars 1.5 hrs with networking afterwards. Topics to include: ecology, finances, climate change, and social contexts within community. Free to attend!
- MACC Annual Conference – registration now open. Webinars and trainings from March 1<sup>st</sup> to March 12<sup>th</sup>. These are paid events, but all commissioners and staff are MACC members and get the discounted cost. Talk to Shyla about registering and remaining trainings/education budget.

### **Adjournment**
