Notice of Intent - Eversource Energy, DEP File #170-286

19B15/19B16 Line Upgrade Project

“Eversource is proposing to replace 5 existing lattice structures with new steel monopole structures, within jurisdictional wetland resource areas along the 19B15/19B16 Line in Hadley. Structures are located between the CT River and Hockanum Rd. Activities are proposed within 200-ft Riverfront Area, BLSF, 100-ft Buffer Zone & 35-ft No Disturb Area. 1 tree will need to be removed from BVW.” Site visit conducted June 7th by Shyla Davis, Melissa Kaplan, and Jonathan Roberge.

Notice of Intent – Howard Johnson, DEP File #: TBD

Howard Johnson Redevelopment Project

Proposed demolition of the Howard Johnson building at 401 Russell St, and the building of a new structure in the same general area. Proposed site improvements include sidewalks, drainage, and landscaping. Activities are proposed in and limited to the buffer zone only. Site visit conducted on June 8th by Shyla Davis and Heather Minnott.

Other Business

Discussion of outstanding permitting actions, if any, particularly related to the Hadley River Rules. Shyla would like to make sure she's up to date on necessary permits and is processing new applications properly.

Updates

Sign for Dawson Reserve

Installation needs to be rescheduled. Shyla will update Kestrel and the Gazette

Tree Planting in Memory of Paul Alexanderson

Shyla to provide updates

- Not the same location as the Dawson Reserve Sign, this is the location at the end of the common.
- Contacted Paul's wife regarding a placard and any desired memos
- Action steps needed:
 - o Select a species of tree and buy a sapling
 - o Hold a planting ceremony, perhaps in the fall depending on species chosen
