

MUNICIPAL BUILDINGS COMMITTEE

Agenda date:

Tuesday Aug 13, 2019

Location: Hadley Town Hall Meeting Room # 202  
100 Middle Street

Time: 7:10 pm

The following agenda is hereby issued for the above meeting date:

- New items of discussion
  - Review the future use of Russell School. Discuss CPA request for professional review of exterior and what short term solutions should be performed to minimize the building degradation.
  - Continue discussions on the Russell School parking lot proposal
  - Review the sale of North Hadley Hall. A lot line to the North of the hall, has been indicated on the most recent survey. The property line is only 5 feet from the north side of the building. This restricts the future use of the building as it relates to parking. What is our committee's recommendation regarding this, if any?
- Quickly review all other municipal buildings. PSC regarding HVAC, Town Hall regarding painting.
- Any other items that were not available at the time of posting that Chair believes is relevant.
- Adjournment
