

MUNICIPAL BUILDINGS COMMITTEE

Agenda date:

Tuesday July 16, 2019

Location: Hadley Town Hall Meeting Room # 203  
100 Middle Street

Time: 7:10 pm

The following agenda is hereby issued for the above meeting date:

- New items of discussion
  - Review the future use of Russell School. Compile a report to be presented to the Select Board on our committee's recommendation for the future of this building. Do we keep it and fix it up or do we recommend demolition? Vote on a non-binding question for the residence.
  - Review the status of the Russell School parking lot proposal from Berkshire Design
  - Review the sale of North Hadley Hall. A lot line, to the North of the hall, has been indicated on the most recent survey. The property line is only 5 feet from the north side of the building. This restricts the future use of the building as it relates to parking. What is our committee's recommendation regarding this, if any?
- Quickly review all other municipal buildings. PSC regarding HVAC, Town Hall regarding painting.
- Any other items that were not available at the time of posting that Chair believes is relevant.
- Adjournment
