 - a. Ideas for future CDEI initiatives – such as: could we host or co/host a meeting for a group watch of an educational video (such as Loretta Ross' video about Calling In), and then hold a workshop (such as a workshop to experience Loretta Ross' methods). Maybe this is the kind of thing we could do here in Hadley? Could we show this or another video at the library and then think about how to facilitate an experiential workshop? Involve the other groups mentioned in 4.a?
 - b. Digital Literacy/Digital Equity Opportunities for Hadley – email from Alex LaMarche, director of Hadley Media – is there something we can do?
