3/13/20 BOSTON – The Baker-Polito Administration announced an emergency order temporarily modifying the state’s open meeting law in order to allow state, quasi and local governments to continue to carry out **essential functions** and operations during the ongoing COVID-19 outbreak.

This emergency order suspends the requirement for public access to the physical location where a public meeting is taking place, **provided there are other means of access available. This includes the use of a phone conference line for members of the public, social media or other internet streaming services, on-line meeting services, or methods of access.**

Both the federal Centers for Disease Control and Prevention (CDC) and the Massachusetts Department of Public Health (DPH) have advised residents to take extra measures to put distance between themselves and other people to further reduce the risk of being exposed to COVID-19. Additionally, the CDC and DPH have advised high-risk individuals, including people over the age of 60, anyone with underlying health conditions or a weakened immune system, and pregnant women, to avoid large gatherings.

Additionally, the order relieves the requirement that a quorum of members be physically present at a public meeting. During this period, members may all participate by remote or virtual means.

This order is applicable to meetings of public bodies including commissions, boards, and committees that engage in policy making at the state, quasi and local level, and it **does not apply to Town Meetings** or judicial and quasi-judicial hearings. It follows Governor Baker’s declaration of a State of Emergency on Wednesday, March 11, and it will remain in place until rescinded or the State of Emergency is terminated.

The full text of the Governor's order may be found here: https://41g41s33vxdd2vc05w415s1e-wpengine.netdna-ssl.com/wp-content/uploads/2020/03/OpenMtgLaw_ExecOrder_Mar32020.pdf

Hadley Police Appointment as Sergeant	Thomas Chabot
Hadley Police Appointment to Full Time Police	Ethan Krauss

Officer	
Hadley Police Appointment Special Police Officer	Brianna Yusko
Hadley Police Appointment Special Police Officer	James Ryan
One Day Liquor License - Multiple Dates	Friends of the COA
Charlotte Smith Estate and Library Decree	Select Board Approves
Board and Committees Reappointment	FY 22

TOWN OF HADLEY
SELECT BOARD
CONSENT AGENDA

Items on a Consent Agenda are exceptions to the general process of the Select Board’s Meeting. The Select Board identifies those business items that they believe should generate no controversy and can be properly voted without debate. These items are put on the Consent Agenda to allow motions under these items to be acted upon as one unit and to be passed without debate.

At the call of the Consent Agenda, the Chair of the Select Board will read out the business items, one by one. If one or more Select Board members object to any particular item being included in the Consent Agenda, they say “hold” in a loud voice when the item is called. The item will be removed automatically from the Consent Agenda and voted separately under the usual manner. After the calling of the individual items in the Consent Agenda, the Chair will ask for a motion that the Select Board pass all items remaining AS A UNIT on one vote. Use of the Consent Agenda process makes the Select Board Meeting more efficient by speeding up the handling of non-controversial items.

3. Public Comments

Subject

3.1 Public Comments

The public comment period is a time for the public to bring their concerns before the Select Board. The Board will hear public comments for 15 minutes. Please limit your comments to 3 minutes so that other members of the public may have an opportunity to speak.

In general, the Board will take all items and issues raised under advisement. Requests that can be addressed administratively will be referred to the appropriate department head for action. Requests for public documents will be handled according to law.

If the Chair of the Select Board calls for public comments, and after all public comments are heard, and if there is still time available, the Chair may close that portion of the meeting agenda and move to other items on the agenda.

4. Town Administrator Report

Subject

4.1 Town Administrator Report

The Town Administrator will report on special projects, departmental functions, and community events.

5. Appointments

6. New Business

Subject

6.1 Board of Health - Shared Services

M

Susan Mosler from the Board of Health will discuss an opportunity for a Shared Services grant.

Subject

6.2 Cultural Council Picture Wall

We have an exciting project promoting the beauty of our Town. We would like to have one of the selected best pictures display at the Town Hall. The picture will be printed and framed. Please read more about the project: See sample attached.

The Hadley Cultural Council is calling for current and former Hadley residents to submit pictures of Hadley for an initiative/exhibit called, "I Love Hadley," which aims to promote the beauty and magic we have in our community.

We will be collecting and exhibiting beautiful, attractive, or mysterious pictures that showcase the landscapes of our community as hidden treasure, from our gorgeous farms and mountain ranges, to our peaceful contemplative neighborhoods. "I fell in love with Hadley, with its green spacious spaces, with the sound of chickens, and the smell of cows," said one Cultural Council member. "We're excited about sharing our town's beauty with the public, and we're hoping that the exhibit will inspire people to come and check out our beautiful natural spaces."

The best pictures submitted will be displayed publicly as follows:

The five best pictures will be printed and displayed in public places such as the Senior Center, possible Town Hall, Library and local businesses.

The ten best pictures will be printed in postcards and made available around town for anyone to take and send to friends, to display in their house, or to be used as bookmarks.

Other good pictures submitted will be promoted on the town website, local facebook pages, Hadley TV media and other social media. We hope to display one picture every week for a year.

6.3 Aqua Vitae Road

Dear Board,

The speed board was set on Aqua Vitae for 12 days measuring EB traffic from the paved section of the roadway where their speed would probably be greatest. We set the parameters similarly as described below to see if there is excessive speed since everyone generally travels slightly over the speed limit. In this case, there is one vehicle with excessive speed showing.

It's possible that it's not speed that is the issue for some of the residents and simply a volume of traffic issue, but I don't want to be presumptuous. So, you may want to revisit the blocking or gating of the road (half farm and half commuter traffic) or the one-way street ideas.

The only other suggestion I have (if the residents still complain about speed) is the Town-wide 25mph zone. This way we don't have to pay to put up speed limit signs on every street where someone wants one and we only need to put them up at the Town lines instead.

The stats show that the road averages about 10 vehicles per day. This is very low compared to any other speed studies we've done. As an example, Bay Rd would be in the thousands. The average speed recorded for all vehicles on this road during the test was 32.5 MPH. This is about what I would expect. The traffic algorithm also estimates "risk" based on speed. Throughout the entire time that the sign was there, only 7 vehicles popped up with a risk factor and even those were considered "low" risk (which is calculated at only 5MPH over the speed limit, which was set at 25MPH).

I will be on the meeting on Wednesday and will be happy to explain the study further and discuss options.

Sincerely,

Michael A. Mason
Chief of Police
