The public comment period is a time for the public to bring their concerns before the Select Board. The Board will hear public comments for 15 minutes.

In general, the Board will take all items and issues raised under advisement. Requests that can be addressed administratively will be referred to the appropriate department head for action. Requests for public documents will be handled according to law.

If the Chair of the Select Board calls for public comments, and after all public comments are heard, and if there is still time available, the Chair may close that portion of the meeting agenda and move to other items on the agenda.
