March 10, 2022, 7pm  
BoH Minutes  
Hadley Senior Center and on Zoom

Present: Susan Mosler, MD, Margaret Mastrangelo, FNP, Peter Lore, Alix Roncarati, health inspector. Jane Nevinsmith was present for part of the meeting. Greg Mish is out on leave.

1. Welcome and call to order  
2. Previous minutes accepted unanimously  
3. Loren Davine director of Hampshire County Emergency Preparedness and Allison Willette, public health nurse from Northampton spoke about the Public Health Excellence Grant that is being rolled out. Essentially, the PHEG will be sharing support services to Hadley and Hampshire county, and within the next year or so, will be able to augment the work that local Boards of Health need to do in order to meet MA state guidelines. At this point, they are able to provide public health nursing, education, and quarterly town and regional data reports. Allison will reach out to our town nurse as Covid testing decreases and will talk to Alycia about offering educational programs to our community.  
4. Alix Roncarati, a highly qualified health inspector, was introduced to the full committee as our temporary health inspector. Work flow and priorities were addressed.  
5. Permits: 4 permits issued: Bed, Bath & Beyond, 2 septage haulers (Republic and Casella), and Geeleher Enterprises were approved unanimously.  
6. PermitLink: training will hopefully begin in April

Meeting adjourned 8:00 pm  
Next meeting April 7, 2022 at the Senior Center, 7pm and on Zoom
