Dedication of the 2018 Annual Report

The Town of Hadley is proud to dedicate the 2018 Annual Report to our outstanding citizens, who have contributed so much to the Town of Hadley.

The Hadley Mother's Club

Hadley Mother's Club 50th Celebration – October 10, 1994

By this dedication we acknowledge the many, many contributions this organization has made to our Town over the past 74 years. A not-for-profit organization, Hadley Mothers' Club was started in 1944. The purpose was for young mothers to socialize, to discuss concerns and common interests and to render public service. They began by establishing a kindergarten class in 1945, and they continued their support by donating classroom materials in the following year.

Today the Mothers' Club mission is still to serve Hadley by providing opportunities and support for our youth and members of the community. They fulfill this mission every day, in a wide variety of ways, through fundraising events and programs that support scholarships to Hadley graduating seniors, by sponsoring girl/boys state, sports banquet, band trips and senior trips, by providing start-up funds for Girl and Boy Scout troops, and much more. They also sponsor candidates' night to bring together townspeople with candidates running for political offices, a project that helps people make informed voting decisions.

Mothers' Club Meetings provide informative and fun activities for all members, including workshops on internet safety, town planning information, self-defense, nutrition, equipment swaps, and gardening. These meeting events are thoughtfully organized to serve the needs of the people of the Town of Hadley and enrich their members.

To support their events and programs, Mothers' Club members have donated countless hours and skills in various fundraising efforts, such as the Hadley Holiday Fair, Recycling Day,

Hillside Pizza, the Giving Grill at Whole Foods, and the Helping Hearts for Hadley Schools road race where they staff the water stations.

For over 74 years the Mothers' Club has been a continuous presence, looking out for our children and our community. Having embodied volunteerism and community spirit, for generous giving, and for continued service to the Town of Hadley, the Hadley Mothers' Club deserves recognition and our thanks.

2018 Holiday Fair

Dedication of the 2018 Annual Report

The Town of Hadley is proud to dedicate the 2018 Annual Report to our outstanding citizens, who have contributed so much to the Town of Hadley.

Edward Dudkiewicz

Edward Dudkiewicz is from a family of 5 siblings who grew up in Hadley. He learned at a young age, the importance of a volunteer fire department as his family and neighbors would respond to the emergency calls often running from their farm fields to help their neighbors. After graduating from Hopkins Academy in 1971, Edward immediately joined the Hadley Fire Department. Ed attended Springfield Technical Community College and Ana Maria College, and then began his career at Western Massachusetts Electrical Company.

Ed was appointed as Lieutenant in 1976 and is often recalled as the first volunteer EMT in the town. During his time as a firefighter Ed continued learning all that he could and sharing his knowledge with other firefighters. He received several letters of thanks from neighboring communities for his assistance during mutual aid calls, in particular calls from Northampton and

Amherst. Ed served as the First Assistant Fire Chief from 1997 until his retirement from the call force in 2013.

Ed recently retired from a long career at WMECO as a Plant Operator, but he has not retired from his long time hobby of baking. As the Town of Hadley began planning for a new fire substation, Ed has answered Hadley's call once again serving on the Building Committee. We thank Ed for answering the call of service from Hadley for over 40 years. Thank you Ed.

The W. Fred Oakley, Jr. Award

Leona Chmura
2018 Co- Recipient

Leona was born and raised in Hadley to Edward Waskiewicz and Helen Sadlowski. She is the oldest and only girl of 5. Leona was no stranger to hard work, including harvesting tobacco, having grown up working on her parent's farm. She attended Hadley Schools and was a member of the Hopkins Academy graduating class of 1960. In 1964 she married her high school sweetheart Rich Chmura. Leona and Rich were blessed with 3 children; David, Debbie and Steve. Active in the Most Holy Redeemer Church, formerly The Holy Rosary Church, Leona volunteered as a CCD teacher for many years. She particularly takes pride in knowing she taught hundreds of children how to properly say the Rosary and has sponsored numerous students being Confirmed. She is a Eucharistic Minister delivering Communion to home bound parishioners and those that reside in nursing homes

Following a number of years working as a dental hygienist she eventually retired from the Registry of Deeds. Leona also works in the Hopkins Academy cafeteria and also with the after-school program. It is here that she was able to continue her positive influence on another generation of Hadley students. Known to many as the "Polish Mom", Leona is famous for hosting pierogi dinners and special deliveries of the best fresh strawberry sauce and vanilla ice cream which has propelled her into a league of her own! Leona has been a champion for the youth of Hadley, cheering at sporting events, school concerts and graduations. She truly has touched the hearts of hundreds of children. She especially enjoys time with her two grandsons (Marco and Angelo) and beloved Corkie. She is an avid gardener of both veggies and flowers and looks forward to her trip to Poland.

Never underestimate Leona or the "power of Gulumkpi"!

Leona's many positive words, special notes/cards, and uplifting spirit and smile is the epitome of the character the Town of Hadley wishes to represent to its residents and visitors.

The W. Fred Oakley, Jr. Award

Dennis Meehan
In Memoriam
2018 Co – Recipient

Dennis moved to Hadley with his wife Linda several years ago after retiring in order to be closer to family in the area. Almost immediately, they joined the Friends of the Goodwin Memorial Library and became deeply involved with supporting the Library programs, fund raising, and efforts to design and build the new town library.

Dennis served with distinction on the Library Planning and Design Committee and later on the Library Building Committee, bringing his enthusiasm, knowledge of finances and sharp pencil to the process, until his passing late in 2018.

Dennis was born in Northampton, and was a graduate of Middlebury College and Columbia University. Dennis served in Vietnam with the U.S. Army and worked as a CPA, retiring as CFO of Palmer and Dodge in Boston.

Along with his passion for gardening, helping make the new Hadley Library a reality, Disney World and genealogy, his greatest pleasure was time spent with his family and grandchildren.

VETERAN'S AGENT	BY APPOINTMENT	SENIOR CENTER

Select Board

2018, what a year it has been!

It was a year of many meetings with Elected Officials and volunteers, family, neighbors and friends. We are now able to move the senior center, library and sub fire station building projects forward. We will be putting the shovels in the ground for each of these projects this year.

Our Town remains financially sound while still maintaining our AA+ bond rating with Standard & Poors. We continue to have balances in stabilization and the CPA with 2 million, and almost 2 million respectively, in each account. Our tax rates remain one of the lowest in the region with the Rt.9 corridor adding to our tax base with new developments, stores, restaurants and hotels.

We have seen a few changes within our departments. We have a new DPW Director Christopher Okafor who replaces Marlo Warner. I would like to thank Sharron Gifford and William Kelley for a job “Well Done” for stepping up to the plate while we were searching for the new director.

Our Public Safety has continued to grow in many ways. We increased the Police Department, by adding a lieutenant, designating a detective, and replacing a K-9 officer, and a new police dog in the works. We continue to have a Sergeant on each shift plus 2 more officers and dispatchers.

The Fire Department increased its staff by adding a deputy chief and 2 more firefighters, now we have full time coverage for our town during the day and we can rely on our call force for night time coverage. We can always use more volunteers, however, to help ensure the safety of our town and residents. After several months of negotiating, the Ambulance Committee recommended that we change ambulance services. For the last 40+ years we have had great service from the Amherst Fire Department, but we felt the need to change our path and go to a private ambulance service: Action Ambulance Service, they are doing a great job. Our response times have improved dramatically since Action has been stationed at our Public Safety Complex.

I would like to shout- out a big thank you to Chief Mason and Chief Spanknebel for working so well together to make sure that our town is safe for all. There is great community outreach from both of these departments. Please keep Police and Fire in your thoughts and prayers for staying safe as they work to keep us safe.

We still have a road ahead of us in meeting future needs of the town: water, sewer, road work, buildings, parks, personnel and the completion of projects. Our Municipal Building Committee has done a great job helping with many of these projects and helping us prioritize the future needs of our town. I would like to thank all of our elected officials for serving, our volunteers who give their time, and our dedicated employees who all work very hard to make Hadley the best town to work and live. We are very fortunate and proud to call Hadley “Our Town.”

Joyce A. Chunglo, Chair

Town Administrator

TO THE SELECT BOARD AND THE PEOPLE OF THE TOWN OF HADLEY:

I am pleased to submit my annual report for 2018. It has been yet another busy year for the Town of Hadley, and I am happy to report that the community continues to prosper. Our employment opportunities continue to expand, our property values continue to grow, and we are able to balance our agrarian heritage with a vibrant commercial center and with thriving educational and research partners. Hadley continues to promote renewable energy and agricultural preservation. The Town's finances remain strong. The Town has earned a Standard and Poor's credit rating of AA+, has one of the lowest tax rates in the Valley, and has substantial reserves to ensure fiscal stability and flexibility. Combined, these features add up to a high quality of life and high quality services delivered at an affordable price.

In 2018, the Select Board reviewed the ambulance service provided by the Town of Amherst with an eye toward long-term services. Our 71-year partnership with the Town of Amherst has served us well, ensuring many years of the highest level of professional emergency care. Yet, we recognized that call volumes are increasing in both towns, patient care is becoming more complex, and the environment in which ambulances must operate is becoming more regulated. The Select Board formed the Ambulance Study Task Force, which took a long-range approach to improving ambulance services in Hadley. The group studied the issues, issued a request for proposals, reviewed candidates, consulted with the Town of Amherst, and ultimately recommended that the Town hire Action EMS as the primary ambulance provider for Hadley. The switch of services occurred on June 29, 2018.

The Town also commenced its work in earnest on three major municipal building projects: a new library, senior center, and fire substation. Plans for library and senior center were approved by the Planning Board, the senior center is out to bid, and the library is preparing bid documents. Ground breaking for both projects is expected in spring 2019. The fire substation is undergoing Planning Board review and is expected to be bid in early 2019. These facilities will enhance our public safety, human services, and cultural services and provide Hadley residents' needs for generations to come.

The Select Board continues to examine public services and the role that government plays. The Board seeks to improve local government's functions in a planned, orderly, and sustainable manner. The Board has identified service needs in general government, public safety (police, fire, and ambulance), public works (roads and bridges, sewer, and water), education, human services (veterans' services and elder services), and culture and recreation (parks and recreation and library services) and has developed a planned, orderly, and sustainable improvement schedule. The Board has also committed to developing a more robust human resources function to address ever-increasing personnel regulations, case law, and new legislation affecting workers and work places.

For example, laws and regulations affecting hiring processes, pay scales, work place equality, union contract bargaining, and work place safety are being enacted every year, requiring new management skills, best management practices, new policies, and a better knowledge base to handle the complex and ever-changing human resources environment. A human resources department will be proposed for FY 2020.

Meeting the community's needs as well as managing the various capital projects requires careful planning, using the service delivery plan, updating the ten-year capital plan, articulating budget priorities, reviewing the updated Master Plan, and setting and following prudent financial policies. The dynamic challenges of managing a complex and vibrant community means that the Board must examine all areas of government to ensure that services are being delivered effectively and efficiently, and the over-all level of services is sufficient to meet demands.

There have been a number of important projects in 2018. A short list includes the following: Zatyarka Park (Phase 3) reconstruction; MS4 (storm water) environmental compliance; upgrades to the Public Safety Complex; new fire alarms for DPW and Town Hall; new computer equipment and programs supporting IT functions, such as assessing and financial management; a SCADA system for the sewer pump stations – providing better and more efficient supervisor control over wastewater operations, upgrades to the water system, and a subsurface survey of the Connecticut River levee.

The Town has also worked with our partners in other agencies to improve infrastructure in key areas of the community. The Massachusetts Department of Transportation's project to repair Bay Road Bridge is now complete. This bridge, which is owned by the Commonwealth, was repaired in autumn 2017 and is slated for eventual replacement in 2020-2021. The Town is working with state officials and our legislative delegation to develop an appropriate design and to secure funding to help move this project forward.

The Town is also working with the Massachusetts Department of Transportation on the Route 9 widening project. MASS DOT plans to add travel lanes from the Middle Street intersection to the South Maple Street and North Maple Street intersection in 2021-2022. The Town will partner with state agencies to upgrade the Town's infrastructure (water lines, sewer lines, and storm water drains) along the project area. Careful planning and coordination with many stakeholders is essential to make this project affordable and successful.

I have been fortunate to be given two assignments by the Massachusetts Municipal Managers Association: alternate membership on the Ethics Committee and membership on the Task Force on Diversity and Inclusion. The former is dedicated to educating professionals about the code of ethics promoted by the International City/County Managers' Association. The latter is focused on promoting efforts by cities and towns to broaden people's involvement in our participatory democracy. Communities are stronger and more vibrant when all are working together and all are served by their government.

Working in a small town is always a team effort, and I am impressed by and grateful for the many ways in which people go beyond their job descriptions to do the people's work. I am supported constantly by dedicated town staff, department heads, elected officials, and citizen volunteers. I look forward to another year of working as a team to provide quality town services.

Sincerely,
David G. Nixon
Town Administrator

**REPORT OF THE TOWN CLERK
TO THE CITIZENS OF HADLEY:**

It is with great pleasure that I respectfully submit to you my annual report for the year ending December 31, 2018.

VITAL STATISTICS OF THE TOWN OF HADLEY

MAY 3, 2018 ANNUAL TOWN MEETING

A total of 507 voters were checked off for this meeting.

Motion was made and seconded that the Town take Articles 1, 2, 3, 4, 5, 6 and 7 out of order and that they be “Passed by Consent” in accordance with the Motions shown on the Consent Agenda distributed this evening.

Article 1 Motion as shown in Consent agenda: Moved that the Town authorize the Select Board to apply for and expend Massachusetts Small Cities Program grants or monies, or any Federal or State grants or monies, received as set forth in the appropriate application.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 2 Motion as shown in Consent agenda: Moved that the Town appropriate funds provided to the Town by the State under Chapter 90 Type money and such other funds as the Massachusetts Department of Transportation Highway Division may provide, and to authorize the Select Board to enter into contracts with Massachusetts Department of Transportation Highway Division for Chapter 90 Type money allocated to the Town by the State.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 3 Motion as shown in Consent agenda: Moved that the Town vote to authorize the Treasurer, with the approval of the Select Board, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 2018 in accordance with the provisions of the Massachusetts General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Massachusetts General Laws, Chapter 44, Section 17.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 4 Motion as shown in Consent agenda: Moved that the Town adjust the accounts as printed in the warrant as delineated in Article 4 of the Annual Town Meeting warrant for May 3, 2018 and incorporated by reference herein.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 5 Motion as shown in Consent agenda: Moved that the Town amend Section 86-9 Article V of Chapter 86 of the Code of the Town of Hadley, relating to revolving funds, pursuant to the provisions of G.L. c.44, §53E½, by adding the following new revolving funds pursuant to Massachusetts General Law Chapter 44, Section 53E½ for the fiscal year beginning July 1, 2018, and transfer from Free Cash **\$5,000.00** into the tax liens revolving account, as printed in Article 5 in the warrant:

And further to raise and appropriate, transfer from Free Cash, or otherwise provide **\$5,000.00** to provide initial funding to the tax lien revolving account, or take any other action relative thereto.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 6 Motion as shown in Consent agenda: Moved that the Town transfer **\$26,000.00** from Water Reserves to the Water Plant Filtration Stabilization fund as per the provisions of MGL

Chapter 40, Section 5B, for the purpose of repairing and replacing water plant filtration membranes and associated expenses.

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Article 7 Motion as shown in Consent agenda: Moved that the Town accept the report of the Community Preservation Committee on the fiscal year 2019 budget and to reserve for later appropriation the following sums of money from the Community Preservation Fund estimated annual revenues:

Open Space	\$36,000.00
Historic Resources	\$36,000.00
Housing	\$36,000.00

And appropriate the sum of **\$15,000.00** from the Community Preservation estimated FY19 annual revenues for all necessary and proper expenses of the Community Preservation Committee for the year

The Moderator declared all articles included in the Consent Agenda passed unanimously.

Motion was made and seconded to take Articles 23 & 24 out of order, to be addressed immediately after the consent agenda

Article 23 Motion was made and seconded that the Town move the location of the new proposed Senior center project from the “Hooker School” 2.6 acre site located behind the current Senior Center and to a new location described as the “River Drive and Stockbridge Road Site” with approximately 9 acres or take any action thereto.

Town Council announced his determination that Articles 23 & 24 were non-binding questions. He states 1) Town already in contract with 3rd party 2) funds are certified and available and 3) it is outside the authority of Town Meeting. John Mieczkowski disagrees and states “no contract on either project” and finds the timing of the determination suspect. Amendment to place this project on hold fails. Much discussion and secret ballot votes continue so the Select Board can “get a feel for what the Voters want.”

The Moderator declared Article 23 failed by secret ballot: Yes: 124, No: 323

Article 24 Motion was made and seconded that the town rescind the vote that was taken on October 27, 2016 Art. 7 to build a new Senior Center on a 2.6 acre of Town owned land known as “The Hooker School Lot,” and to appropriate \$5,300,000.00 to pay the cost of design, construction and equipping a new Senior Center, and further, to rescind the August 29, 2017 Art. 1 requesting 1,800,000.00 in additional funds, and deduct any funds expended up to date or take any action thereto.

The Moderator declared Article 24 failed by secret ballot: Yes: 117, No: 299

Article 8 Motion was made and seconded that the Town adjust the accounts as printed in the warrant as delineated in Article 8 of the Annual Town Meeting warrant for May 3, 2018 and incorporated by reference herein:|

To see if the Town will vote to amend vote taken on Article 1 of the **special town meeting** held on **October 5, 2017** relative to the FY 2018 budget as follows

Account	From	To
710 Long Term Debt Principal	\$1,111,380	\$1,148,441
750 Long Term Debt Interest	\$143,695	\$106,634

The Moderator declared Article 8 passed unanimously.

Article 9 Motion was made and seconded that the Town raise and appropriate the sum of \$ 15,772,656 ____, and appropriate from Sewer Receipts \$ 1,117,603 ____, and appropriate from Water Receipts \$ 1,234,492 ____, and transfer from Sewer Reserve \$ 10,000 ____, and transfer from Water Reserve \$ 10,000 ____, and take from MSBA Debt Fund Reserve \$ 2,444 ____, and appropriate from Hadley Public Access Cable Franchise Receipts \$ 72,261 ____, and transfer from Hadley Public Access Cable Franchise Reserve \$ 20,000 ____. And transfer from Stabilization \$ 53,316 ____, and transfer from the November 2014 Premium Balance \$ 928 ____, for the maintenance and operation of the town in fiscal year 2019 as recommended by the Finance Committee, including debt and interest, and to fix the salary of all elected officials, including, if appropriate, Select Board, Town Clerk, Town Collector, Town Treasurer, Town Assessors, Town Constables, Board of Health, Elector under the Oliver Smith Will, Planning Board, and Park and Recreation Commission, and to provide a reserve fund.

Moderator declared Article 9 as read by finance committee passed. (\$18,293,700)

Article 10 Motion #1

Motion was made and seconded that the Town transfer **\$13,000.00** from Free Cash for school zone lights for the Department of Public Works, and associated expenses, and **\$5,000.00** from Free Cash for website re-design for the Select Board.

The Moderator declared Motion #1 of Article 10 passed unanimously.

Article 10 Motion #2

Motion was made and seconded that the Town transfer **\$100,000.00** from Sewer Impact Fees for a septage vehicle and associated expenses for the Department of Public Works.

The Moderator declared Motion #2 of Article 10 passed unanimously.

Article 10 Motion #3

Motion was made and seconded that the Town appropriate **\$170,000.00** to pay costs of designing and building an HVAC system for the Elementary School including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor. Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Motion #3 of Article 10 passed 185-03.

Article 10 Motion #4

Motion was made and seconded that the Town appropriate **\$855,400.00** to pay costs of designing and building a fire station including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor, provided, however, that the vote taken hereunder shall be expressly contingent upon approval by the voters to exclude the

amounts to pay for the bonds or notes authorized for this purpose from the provisions of Proposition 2½, so called.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Motion #4 of Article 10 passed 160-6.

At 10:50pm the Moderator announced Town Meeting would adjourn until May 10, 2018 @7pm in the Hopkins Academy Café.

A total of 130 voters were checked off for this meeting.

Article 11 Motion was made and seconded that the Town charge for each written demand issued by the collector a fee of \$30.00 to be added to and collected as part of the tax, as authorized by Massachusetts General Laws Chapter 60, Section 15, effective as of July 1, 2018.

The Moderator declared Article 11 passed.

Article 12. Motion was made and seconded that Town amend the vote taken under Article 14 of the Annual Town Meeting held on May 4, 2017 to accept the provisions of MGL Chapter 64N, Section 3, to impose a local sales tax upon the sale or transfer of marijuana or marijuana products by a marijuana retailer operating within the Town to anyone other than a marijuana establishment at the increased rate of three (3) percent of the total sales price received by the marijuana retailer as a consideration for the sale of marijuana or marijuana products.

The Moderator declared Article 12 passed.

Article 13. Motion was made and seconded that the Town adopt the provisions of MGL Chapter 59, Section 5, Clause 17D starting Fiscal Year 2019.

The Moderator declared Article 13 passed unanimously.

Article 14. Motion was made and seconded that the Town appropriate **\$35,000.00** from Community Preservation Act historic set aside funds for the preservation and/or rehabilitation of the historic four pillars in front of Town Hall, said expenditure to be conducted within two years of the date of the 2018 spring Town Meeting (May 1, 2020).

The Moderator declared Article 14 passed.

Article 15. Motion was made and seconded that the Town appropriate **\$55,675.00** from Community Preservation Act historic set aside funds for the preservation and/or rehabilitation of the historic North Hadley Congregational Church Board of Trustees for the preservation and restoration of the weather vane, steeple, bell structure and front façade on the condition that an architectural preservation restriction be approved for the property before CPA funds are spent, said expenditure to be conducted within two years of the date of the 2018 spring Town Meeting (May 1, 2020).

Discussion that this is within CPA guidelines and on a Scenic Byway muted opposition on concerns of non-town owned building and church vs state issue. Andy Morris Friedman proposed an amendment based on concerns regarding the legality of the motion.

AMENDMENT: Motion was made and seconded that the Town appropriate **\$55,675.00** from Community Preservation Act historic set aside funds for the preservation and/or rehabilitation of the historic North Hadley Congregational Church Board of Trustees for the preservation and restoration of the weather vane,

steeple, bell structure and front façade, said expenditure to be conducted within two years of the date of the 2018 spring Town Meeting (May 1, 2020).

The Moderator declared Article 15, as amended, passed.

Article 16. Motion was made and seconded that the Town authorize the Select Board to petition the General Court for special legislation creating the appointed position of Treasurer as delineated in Article 16 as printed in the warrant of the annual town meeting held on May 3, 2018 and incorporated by reference herein, provided that the General Court may make clerical or editorial changes of form only to the bill, unless the Select Board approve amendments to the bill before enactment by the General Court, and further that the Select Board is authorized to approve amendments which shall be within the scope of the general public objectives of this petition.

Most of those that spoke to this article were not in favor of this change although there was support of Select Board to make these important decisions. Discussion was regarding both Article 16 & Article 17.

The Moderator declared Article 16 passed.

Article 17 Moved that the Town authorize the Select Board to petition the General Court for special legislation creating the appointed position of Collector as delineated in Article 17 as printed in the warrant of the annual town meeting held on May 3, 2018 and incorporated by reference herein, provided that the General Court may make clerical or editorial changes of form only to the bill, unless the Select Board approve amendments to the bill before enactment by the General Court, and further that the Select Board is authorized to approve amendments which shall be within the scope of the general public objectives of this petition.

The Moderator declared Article 17 passed.

Article 18 Motion was made and seconded that the Town amend the General Bylaws of the Code of the Town of Hadley as delineated in Article 18 of the Annual Town Meeting warrant for May 3, 2018, and incorporated by reference herein (**Animal Control Bylaw**)

Discussion regarding “what is properly restrained” led to amendment by Shel Horowitz, cautioned by Town Counsel that AG would have to approve consistency.

AMENDMENT: Motion was made and seconded that the Town amend Article 18 by inserting “with a leash, voice control or other effective method” at the end of Section 24-3:2:1

The Moderator declared Article 18, as amended, passed.

Article 19 Motion was made and seconded that the Town authorize the Select Board to join the Pioneer Valley Mosquito Control District and to execute any contracts related thereto in accordance with MGL Chapter 252 Section 5A, and other applicable sections of said law.

Needing assurance from the Select Board that this Article is about monitoring, not spraying, from Edwin Matusko, Dina Freidman made an amendment.

AMENDMENT: motion was made and seconded that the Town authorize the Select Board to join the Pioneer Valley Mosquito Control District *for monitoring purposes only* and to execute any contracts related thereto in accordance with MGL Chapter 252 Section 5A, and other applicable sections of said law

The Moderator declared Article 19, as amended, passed.

Article 20 Motion was made and seconded that the Town amend the General Bylaws of the Code of the Town of Hadley as delineated in Article 20 of the Annual Town Meeting warrant for May 3, 2018 and incorporated by reference herein. (**Nuisance/Blight Bylaw**)

There was concern from voters that the bylaw is too broad. Fire Chief Spanknebel says they are bound by MGL regulation.

The Moderator declared Article 20 passed.

Article 21 Motion was made and seconded that the Town amend the Zoning Bylaws of the Code of the Town of Hadley as delineated in Article 21 of the Annual Town Meeting warrant for May 3, 2018 and incorporated by reference herein. (**Section XXV Inclusionary & Section XXVII Senior Housing**)

The Moderator declared Article 21 passed unanimously.

Article 22 Motion was made and seconded to **TABLE** Citizen Petition Article 22. (**Rank Choice Voting**)

More information needed.

The Moderator declared Article 22 tabled.

The Moderator declared the meeting dissolved @ 9:38pm.

STM 2015	Sewer Clarifier	32-440-5800-C03	\$744.20	Sewer Impact Fees
ATM 2014	Library Electrical	21-610-5825-A21	\$83,500.00	Community Preservation Act

The Moderator declared Article 3 passed 135-1.

Article 4 Motion was made and seconded that the Town transfer from Sewer Impact Fees **\$80,000.00** to Sewer Reserves for expenses related to emergency sewer line repairs.

The Moderator declared Article 4 passed unanimously.

Article 5 Motion was made and seconded that the Town transfer from Free Cash **\$29,952.00** into the Capital Stabilization Fund.

The Moderator declared Article 5 passed 135 – 1.

Motion 6A Motion was made and seconded that the Town transfer:

1. **\$8,000** from Capital Stabilization for software and hardware for the Assessors' Department;
2. **\$9,000** from Capital Stabilization for an evidence locker for the Police Department;
3. **\$14,000** from Capital Stabilization for a study of the compensation/classification plan for the Select Board;
4. **\$5,000** from Water Reserves and **\$5,000** from Sewer Reserves for building repair for the Department of Public Works;
5. **\$30,000** from Sewer Reserves for sewer line assessment for the Department of Public Works;
6. **\$25,000** from Water Reserves for access and clearing of the water tanks for the Department of Public Works;
7. **\$25,000** from Water Reserves for the reconditioning of Callahan Wells for the Department of public Works;
8. **\$15,000** from Hadley Media Reserves for relocation expenses for Hadley Media; and
9. **\$27,000** from Capital Stabilization for HVAC Ventilation and Dampers at the Public Safety Complex for the Police Department and Fire Department.

The Moderator declared Article 6A passed 136-1.

Article 6B Motion was made and seconded that the Town appropriate **\$30,000.00** to pay costs of a vehicle for the Building Inspector including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6B passed 131-7.

Article 6C Motion was made and seconded that the Town appropriate **\$47,000.00** to pay costs of a cruiser for the Police Department including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6C passed 137-1.

Article 6D Motion was made and seconded that the Town appropriate **\$31,000.00** to pay costs of acquiring a skid unit for the use of the Fire Department including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6D passed unanimously.

Article 6E Motion was made and seconded that the Town appropriate **\$85,000.00** to pay costs of acquiring a Ford F-550 dump truck for the use of the Highway Division of the Department of Public Works including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor, provided, however, that the vote taken hereunder shall be expressly contingent upon approval by the voters to exclude the amounts to pay for the bonds or notes authorized for this purpose from the provisions of Proposition 2½, so called.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6E passed 136-2.

Article 6F Motion was made and seconded that the Town appropriate \$55,400.00 to pay costs of replacing cafeteria equipment for the School Department including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board, is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor, provided, however, that the vote taken hereunder shall be expressly contingent upon approval by the voters to exclude the amounts to pay for the bonds or notes authorized for this purpose from the provisions of Proposition 2½, so called.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6F passed 137 – 1.

Article 6G Motion was made and seconded that the Town appropriate \$98,000.00 to pay costs of health and security upgrades for the School Department including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6G passed 137-1.

Article 6H Moved that the Town appropriate \$80,000.00 to pay costs of a van for the Council on Aging including the payment of all costs incidental and related thereto, and that to meet this appropriation the Treasurer with the approval of the Select Board is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

The Moderator declared Article 6H passed unanimously.

Article 7 Moved that the Town transfer **\$23,000.00** from the Community Preservation Act Historic Preservation set aside funds for the preservation and restoration of the historic gravestones in Hockanum Cemetery (1767) located 191-299 Hockanum Road, Hadley, MA 01035 in accordance with the proposal presented in the August 27 meeting of the CPAC. Said expenditure to be conducted within two years of the date of the 2018 Fall Town Meeting (November 1, 2020) or unspent funds will automatically be returned to the appropriate CPA fund by that date.

The Moderator declared Article 7 passed.

Article 8 Motion was made and seconded that the Town transfer **\$12,000.00** from the Community Preservation Act Historic Preservation set aside funds to conduct a study of possible restoration and conservation work to the historic Town-owned cemeteries to include Plainville, Russellville, North Hadley and Old Hadley (central section) Cemeteries in accordance with the proposal presented in the August 27 meeting of the CPAC. Said expenditure to be conducted within two years of the date of the 2018 Fall Town Meeting (November 1, 2020) or unspent funds will automatically be returned to the appropriate CPA fund by that date.

The Moderator declared Article 8 passed.

Article 9 Motion was made and seconded that the Town transfer **\$26,000.00** from the Community Preservation Historic Preservation set-aside to the Board of Directors of the North Hadley Congregational Church for additional restoration and conservation work of the steeple and roof area of the church, located at 243 River Drive, Hadley, MA 01035, in accordance with the proposal presented in the August 27 meeting of the CPAC. Said expenditure to be conducted within two years of the date of the 2018 Fall Town Meeting (November 1, 2020), or unspent funds will automatically be returned to the appropriate CPA fund by that date.

The Moderator declared Article 9 passed unanimously.

Article 10 Motion was made and seconded that the Town authorize the Department of Public Works to have primary responsibility for the operation, management, and care of the town cemeteries and to amend the vote of February 28, 1928, Articles 30 and 31, so that it shall read as follows: voted that the Town authorize the Select Board to appoint a Cemetery Committee of five members, each for the term of three years, and further to authorize the Committee to advise and assist the Department of Public Works in the operation, management, and care of the town cemeteries, including but not limited to the sale of lots.

The Moderator declared Article 10 passed unanimously.

Article 11 Snow and Ice Bylaw **PASSED OVER**

Article 12 Motion was made and seconded to amend Subsection 19.2.7 of the Zoning Bylaws relating to roof design within the Center Village Overlay District by deleting the subsection in its entirety and replacing it with the following:

“All roofs shall be pitched; minimum pitch shall be three-inch vertical rise per twelve-inch horizontal run. No roofline shall exceed 75 feet continuous run without a break, change in elevation or intercepting roofline. Prohibited roof appearances are flat roof appearance, and roofs with less than three-inch vertical rise per twelve-inch horizontal run”

The Planning Board gave an oral report not supporting this article.

The Moderator declared Article passed 85-39.

Article 13 Marijuana Establishment Zoning Bylaw **PASSED OVER**

Article 14 Motion was made and seconded that the Town amend the Bylaws of the Code of the Town of Hadley as delineated in Article 14 of the Special Town Meeting warrant for October 18, 2018.

Section 36-3. Limitation on the Number of Adult Use Retail Establishments.

The number of adult use marijuana retail establishments permitted to be located within the Town Hadley shall not exceed 20% of the number of licenses issued within the town for the retail sale of alcoholic beverages not to be drunk on the premises where sold under chapter 138 of the General Laws. For the purposes of determining this number, any fraction shall be rounded up to the next highest whole number.

The Moderator declared Article 14 passed 127-4.

Article 15 Open containers/marijuana consumption general bylaw **PASSED OVER.**

Article 16 Motion was made and seconded that Town will vote to amend the Zoning Bylaws Section XXI Moratorium on Establishment of Recreational Marijuana Facilities, as follows:

21.3 To allow the Planning Board time to review and propose a revised zone bylaw designed for use after the Massachusetts Cannabis Control Commission develops its regulations, which were due October 1, 2017, but were not finalized until early 2018, by addressing recreational marijuana facilities and to present it at the Spring 2019 Annual Town Meeting.

21.3.1 No building permits shall be granted for new, revised, or modifications to any structure or building within the Town for the establishment and operation of businesses for the distribution of recreational marijuana within any Zone District prior to June 1, 2019.

The Planning Board gave an oral report recommending this article

The Clerk made non-substantive renumbering to this article

The Moderator declared Article 16 passed unanimously.

At 9:27pm the Moderator declared Town Meeting adjourned.

DOINGS AT THE NOVEMBER 6, 2018 STATE ELECTION

A total of 3946 were eligible to vote = 70 % turnout

SENATOR IN CONGRESS

REMINDERS

*If you are a Massachusetts resident and U.S. citizen who will be 18 years old on or before the next election, you may register to vote not only at the Town Clerk's office but at many state agencies, or by using a mail in voter registration form which is available at the Post Office and the Town Hall. You may also call the Town Clerk's office if you would like a form mailed to you, or if you have a question pertaining to elections or voter registration!

***PLEASE** remember to return your **town census** -- it is used for more than just the Street List.

Respectfully Submitted,

Karen Czerwinski, Beverly Rhodes, Gladys Nichols & Jessica Spanknebel
Board of Registrars

Fire Department

2018 was an extremely exciting, successful busy year for the Hadley Fire Department. The Department wishes to thank the residents of Hadley for their support with funding the additional day staffing, as well as additional funding to complete the North Hadley Fire Sub-Station project.

The department responded to 1319 calls for service which is approximately a 22% increase from 2017, and approximately 70% of the calls occurred between 6am and 6pm. The department responded to:

- 652 Rescue and Emergency Medical Incidents including;
 - 615 Medical Calls
 - 26 Lift Assists
 - 2 – Boat Rescues
 - 1 – Car vs Pedestrian
 - 4 – Ring Removal
 - 3 – Elevator calls with occupants
 - 1 – Tree on Vehicle

- 274 Motor Vehicle Accidents with 4 requiring extrication of passengers

- 60 Fires which included:
 - 7 - Structure Fires
 - 3 - Chimney Fires
 - 2 - Oven/Stove Top Cooking Fires
 - 10 - Vegetation/Brush/Mulch Fires
 - 9 - Motor vehicle Fires
 - 5 - Dumpster Fires
 - 1 - Fire in Steel Coffee Cup on Russell Street
 - 1 – Fire in Steam Plant Tunnel
 - 1 – Off Road/Heavy Machinery Fire
 - 21 – Responses to illegal burns

- 294 Good Intent and False Alarm Calls which included:
 - 217 - General Fire Alarm Activations
 - 17 – Natural Gas Odor Investigations
 - 16 – Smoke Investigations
 - 16 – CO Investigations with No Finding
 - 26 – Good Intent/Investigations/Cancelled
 - 2 Suspicious Package/Possible threat

- 34 HazMat/Hazardous Conditions/Service Calls including:
 - 12 - Power Lines Down or Pole with No Fire
 - 2 – Power Lines/Pole on Fire
 - 3 – CO Investigations with CO Found
 - 14 – Hazmat/Leaks/Spills/Hazards
 - 3 – Flooded Basements
 - 5 Severe Weather and Natural Disaster events

- The Department requested mutual aid from South Hadley Fire District #1 once, Northampton Fire once, and Amherst Fire twice.
- Hadley Firefighters were called to provide mutual aid to Amherst four times and Sunderland twice.

I would like to thank all our mutual aid partners and regional and State resources who continue to answer our calls for assistance regardless of the strain it may put on their own departments and community resources.

To all the members of the department, I again cannot express my thanks for your continued commitment and dedication, and I truly commend you -- for responding to calls for service at all hours of the day and night, sometimes interrupting your work and family time. This year again I have received numerous thank-you letters and calls from residents, businesses, and visitors of the Town, who express their thanks and appreciation for your professionalism and caring for our community. I would also like to thank your families for allowing you to participate and take time which could be spent with husbands, wives, children and friends. I personally would like to thank my family, (Jess, Gage and Sloane) for their understanding and support when I come home late from the station and then run back out the door at all hours of the day and night.

In February, the department welcomed the addition of my second in command, Deputy Chief Evan Briant. Evan comes from a long line of family members with a tradition of careers in the fire service and he has served as both a call/volunteer as well as a fulltime firefighter with over 13 years of experience. Evan joined the Hadley Call Force in 2015 while he was also a fulltime Firefighter/Emergency Medical Technician on South Hadley Fire District #1, and he assisted me with the submittal of the extremely competitive Federal Assistance to Firefighter Grant in 2016. Evan has an extensive list of certifications which will benefit our community and department including: Fire Officer I/II, Arson Investigator, Public Fire and Life Safety Educator, and Fire Prevention Officer I. He is also a certified American Heart Association CPR/AED/First Aid Instructor and National Child Car Seat Installation Technician. Evan has immersed himself in the Fire Prevention and Public Fire and Life Safety programs of the department, and successfully obtained the 2018 Student and Senior S.A.F.E. grant funding through the Office of the State Fire Marshal, which funding will be used to bring educational programs into the schools as well as fire and life safety programs to the seniors of our community. Evan is passionate about his job as a Firefighter-EMT and he has seamlessly transitioned into the role of Deputy Chief of a combination fire department.

On June 29, 2019 at 9 am after 70 years of outstanding service from the Amherst Fire Department and after weeks of transition planning between Hadley and Amherst Fire and Police, and 911 Dispatch along with Action EMS and the Massachusetts State 911

Department, we seamlessly transitioned to our own Advanced Life Support Ambulance Service with Action EMS. The Town of Hadley now has its own dedicated Advanced Life Support Ambulance. Hadley Med 1 is ready to roll out the door 24/7/365, and is under the full control of the Fire Chief.

Also, on June 29th at 9am the Hadley Fire Department welcomed two additional fulltime firefighters to complete phase one of the department's 5-year phased approach to fulltime Fire and EMS services. Firefighter William Ingram and Firefighter Courtney Burdeau were selected to fill the positions out of a pool of 12 candidates. Both William and Courtney are Firefighter-EMT-Basics and come from call force departments. William lives in Amherst and is a call force firefighter for the Leverett Fire Department and also worked for the UMASS Environmental Health and Safety Division as a Fire/Safety Officer. Courtney recently moved to Hadley from Easthampton and serves as a call force Firefighter and EMT on the Southampton Fire Department and was also employed as an EMT-Basic with Alert Ambulance Service out of Springfield. William and Courtney have been assigned to groups which work on a rotating 4 on 4 off schedule from 6am to 6pm, 7days a week. William is currently assigned to Group A with Lieutenant McKenna and Courtney is assigned to Group B with Lieutenant Waskiewicz. This allows for a two-person crew to roll out immediately during the daytime hours to emergency calls. Deputy Chief Briant and me round out the crew to four firefighters for the daytime hours along with any available call force members.

In its first month of service Hadley Med 1 and Fire units responded to 116 Calls for service and transported 69 patients to local hospitals. With the ambulance in our station we cut the average response time to 4:22 in the month of July. I am very proud to say that our crews have provided exceptional service and when multiple calls occur at the same time our crews are able to respond and handle these emergencies as a team. I am proud to report that Lieutenant Nick McKenna was honored in June of 2018 by the Massachusetts Municipal Police Training Council for his First Responder actions that he performed which resulted in a save. Lieutenant Waskiewicz and Firefighter Ingram also responded to a call in August of 2018 and due to their early First Responder actions and initiating CPR/AED, they too recorded a save of a 40+ year old female who had gone into cardiac arrest. The Paramedics and EMT's of Hadley Med 1 have immersed themselves into our community and department and have assisted with ambulance coverage at numerous community events including Hopkins High School Soccer, Kestrel Trust 5K for Farmland, site visits with the Senior Center and Winfield Senior Estates, First Aid Training for the Girl Scouts and 4H, Fire Department Open House and numerous other events.

As I have stated in past years and what has become a serious issue, on-call and volunteer departments are struggling throughout the Commonwealth and across the country but are needed to respond to an ever-increasing variety and volume of calls with increased hazards. Our department closed out the year with 6 full time staff and 22 call force members which is an increase in two from 2017. In an effort to find new ways to recruit members I worked closely with two Hopkins Academy Seniors, Gage Spanknebel and Liam Higgins. With the support of Superintendent McKenzie and Principal Beck, Gage and Liam established a Junior Firefighter Program under the Hadley Fire Department. Gage and Liam spent numerous hours researching and drafting a Program Overview, Standard Operating Procedures and Guidelines and Application for Membership using local, regional and national best practices. In February of 2018 they presented the program to the Select Board who received and unanimously supported this initiative. Gage and Liam have spent countless hours at the station assisting with numerous projects including the build out of over 100 emergency To-Go Bags for the Public Schools in Hadley and also assist in maintaining the station with cleaning, mowing and trimming which has greatly improved the look of the station. Both Gage and Liam attend department drills and respond to calls in support of the firefighters and will be transitioning into true probationary firefighters when they reach the age of 18. Both Gage and Liam are actively recruiting new members for the Junior Firefighter Program and Liam has decided to pursue a career in Fire and Emergency Medical services when he graduates from Hopkins. I would like to personally thank them both for all of their hard work.

I would like to extend a special thanks to Lieutenant Joseph Rex for his 13 years of dedicated service to the Hadley Fire Department. Joe started his call force career in December of 2005 and worked hard to obtain his title as Lieutenant in 2014. Joe was instrumental in the planning, design and build out of the 2017 Pierce Arrow XT, Hadley Engine 4 and 2010 AM General Tanker Truck. Joe is a skilled firefighter and pump operator and as a Fire Chief when I saw Joe drive into the station to staff a fire truck, I was able to take a deep breathe knowing I had a member that would be able to handle most any role on the scene of the emergency. Thank-you Joe, for your dedication and service to the residents and visitors of the Town of Hadley!

This year is also the 11th year of partnering up with the UMASS Senior Nursing Program and I would again like to thank Deborah Patulak R.N, and her students for their hard work assisting in the Town with providing 911 training to the Kindergartners in Hadley Public Schools and researching and creating educational videos on Social Host Law, Active Shooter Info and Identifying Mental Health and Violence issues along with Risky Behaviors in our schools.

The department continued with bi-weekly in-house training and a number of members completed the required driver and operational training on our frontline apparatus. Lieutenant Adair and Waskiewicz attended an Advanced Pump Training Course through Hampshire County Fire Defense and Firefighter Nick Wojtowicz completed Basic 6 Training through Hampshire County Fire Defense and he also began EMT-Basic Training with Lieutenant Waskiewicz in December. Deputy Chief Briant and I continue to conduct numerous American Heart Association CPR/AED and First Aid courses for the department, schools and private groups and are working to establish the Town of Hadley as a HEART Safe Community.

In 2018 fire prevention conducted numerous fire and life safety inspections along with mandated inspections jointly conducted with the Building department including;

- 68 -26F & 26F^{1/2} Smoke and CO Inspections in Homes for Sale or Transfer
- 24-New & Existing Construction Residential Home Inspections/Wood and Pellet

Stove

- 30-Propane Tank Inspections
- 26-Truck Inspections for Transfer and Cargo Tanks
- 15-Oil Burner and Tank Inspections
- 3-Underground Storage Tank Removal Inspections
- 1-Marina Inspections
- 3-Gas Station Inspections

80+ -Life Safety Inspections for Liquor License, Final Inspection for Certificate of Occupancy in New Construction, Town Building and Restaurant inspections, etc.

In 2018 my office completed and issued;

- 29-Commercial and residential plan reviews
- 12-Commercial Permits for Installation of Fire Protection Equipment
- 29-Commercial Permits to Alter/Modify a Fire Protection System
- 5-Flammable/Combustible Fluids, Solids and Gas Storage Permits
- 9-Permits to Store Combustible Rubbish
- 3-Underground Storage Tank Removal Permits
- 240-Burn permits
- 6-Trench Permits
- 1-Permit for the Display of Fireworks
- 12-Requests for Information/Incident Reports
- 2-Hotworks Permit

The Hadley Volunteer Fireman's Association would like to thank all who supported our 2018 annual fundraising drive. This year the Police and Firemen's Association's again held their Toy Drive and Stuff a Truck and Cruiser Programs and delivered two truck-loads of toys to the Shriner's Hospital and Baystate Children's Hospital in Springfield. The Fireman's Association

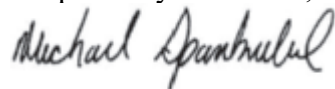

also purchased multiple sets of winter coats, ski pants, hats and gloves for the Hadley Elementary School for any students in need.

In closing, I would like to extend a special thank-you to the residents of Hadley for your continued support and trust in the men and women who work hard to serve and protect you. I look forward to continuing to serve as your Fire Chief and ask that if you ever have any questions, concerns or require assistance to not hesitate to call. It is my hope that you will contact us if you have any fire safety related questions or if you simply need assistance changing batteries in or installing new working Smoke and Carbon monoxide detectors. Please check out our Facebook Page and the Town Website for department information and links to additional fire prevention information.

LET US NEVER FORGET 9-11-01 AND THE ALL FIRE DEPARTMENT LINE OF DUTY DEATHS

**&
SMOKE & CARBON MONOXIDE DETECTORS SAVE LIVES SO WHEN YOUR CLOCKS CHANGE, CHANGE YOUR DETECTORS BATTERIES**

Respectfully submitted,

Michael H. Spanknebel
Fire Chief

HADLEY POLICE DEPARTMENT

TO THE SELECT BOARD AND THE RESIDENTS OF HADLEY:

Our Department has seen many changes over this last year. As with most years, we have seen some good folks move on to other places and we have seen the addition of some great people in 2018.

We were able to promote three excellent officers from our part time ranks, up to full time after some vacancies opened up. Officers Thomas Chabot, Thomas Douglas and Rylan Baronas all earned a spot on our full time roster in 2018. They worked hard as Special Officers and showed that they deserved to be promoted and we are happy to have them aboard.

We also replenished our Special Police and Part Time Dispatcher ranks by hiring Officers Casey Gilbert, Troy Emerson, Jacob Laughlin, Jacob Marini, as well as part-time Dispatchers, Briana Yusko and Berit Bjerkadal. Each of the Officers and Dispatcher Bjerkadal are currently working through our field training program, but Dispatcher Yusko came to us with a lot of experience and an incredible skillset and began working shifts for us almost immediately.

Throughout the course of 2018, we made some administrative and special assignment changes, and promotions within our staff. In July, Sgt. Mitch Kuc was promoted to the rank of Lieutenant and will serve as my second-in-command, overseeing the day-to-day operation of the department. Detective Jesse Green was also selected for promotion to Detective Sergeant. Jesse was our first full time Detective and is our first ever Detective Sergeant. He will be in charge of all investigations for our agency as we move forward and we are confident that he will do a fine job. In November, we filled another supervisor void and promoted Mike Romano to the rank of Sergeant. Mike has been invaluable with his hard work as our School Resource Officer and we were proud to be able to make him a Sergeant so that he can help lead a new group of younger officers at this Department.

With these promotions, we were required to make some assignments so that we might expand the services we offer. Officer Joel Kupeyan was assigned to Detective and will work with Detective Sergeant Green. Officer Daniel Phillips was assigned as our new School Resource Officer and will be trained and supervised by Sergeant Romano. Our hope is that at some point, we might be able to assign a School Resource Officer full time to work with our kids here in Hadley. We are also proud to announce that after Sergeant Costa and K9 Nomar's retirement, with some well-timed grants and a bit of fund raising, we will be able to continue our Canine program. We are currently very close to introducing our new K9 team to our citizenry.

In 2018, we also were fortunate that our town residents approved numerous articles at town meeting that will allow for us to grow and improve our department, and we are all extremely grateful.

One aspect of our department that we receive regular questions on is our vehicle fleet. We receive questions about how many cruisers we have and how we use them. Because of this, I feel it is important to publish this information here, and will continue to do so.

With a growing department, expansion of services, and on-going state highway construction projects, our fleet of vehicles has had to grow. As of now, we currently have 11 cruisers in our

fleet, and the fleet is divided in to three divisions. We also have one utility trailer, as well as two message board trailers. All three trailers were paid for by grants or municipal partnerships, one cruiser was paid for by a grant, and two were purchased for pennies-on-the-dollar from UMass Police to make up for shortages. The three divisions of cruisers are patrol, administration, and utility.

The patrol fleet consists of 6 marked cruisers;

Cruiser 30-2017 Ford Explorer

Cruiser 32-2013 Ford Explorer

Cruiser 35-2017 Ford Explorer

Cruiser 37-2017 Ford Explorer

Cruiser 38-2016 Ford Explorer

Cruiser 39-2015 Ford Explorer (K9)

Cruisers with grey graphics are generally used by traffic officers.

Admin cruisers are driven by detectives and supervisors.

Cruiser 40-2010 Ford Expedition

Cruiser 41-2014 Ford Explorer

Cruiser 42-2016 Ford Explorer

Utility cruisers are some of our oldest cruisers that were decommissioned from patrol. They are used for constructions details, officers attending training, and other non-patrol related functions. Using vehicles in this capacity keeps mileage and excessive wear off of cruisers in the patrol fleet extending their use.

Cruiser 31- 2009 Ford Crown Victoria

Cruiser 36- 2012 Ford Explorer

In 2018, we experienced an increase in some of our statistics. This can be attributed to expansion in police and fire services, and investigative follow-up's as well as other victim/substance abuse related follow-up calls.

Our statistics in 2018 are as follows:

13532 Calls for service. These include calls coming into our dispatch center for assistance in which the police, fire department/ambulance are dispatched and initiated calls like traffic stops, property checks, and all fire services.

529 Reports taken. These can include anything from disturbances to something out of the ordinary that the officer simply wants to document for future reference.

471 Motor Vehicle crashes. Any crash that occurs on a public way and/or the damage from such a crash is estimated to be over \$1,000 is documented in this manner.

297 Arrests or criminal charges. These include actual "custody" arrests and criminal charges which are filed in the event that the suspect is unable to be taken into immediate custody.

4375 Motor vehicle stops and complaints.

2641 Traffic citations issued. This includes both written warnings and civil citations where a fine is attached.

As always, I want to thank Mike Spanknebel, Anne McKenzie, David Nixon, the Select Board and Finance Committee, and all who work in Town Hall and other town departments/boards for all that they do to help us continue to move forward. Their partnership and collaboration is very important to our success. Also, without all of our emergency Dispatchers, Supervisors and

Officers, and Administrative Staff working together, we would not be able to provide the services that we do. I am proud to work alongside such caring people. We will miss the partnership of DPW Director Marlo Warner and look forward to working with Chris Okafor. We will continue to offer the finest services to the citizens of Hadley and those who travel to and through our community and I welcome any input from everyone on how we can do better.

Respectfully,
Michael A. Mason
Chief of Police

Animal Control

TO THE SELECT BOARD AND RESIDENTS OF HADLEY:

During the course of 2018, the Hadley Police Department logged 321 animal related calls for service. This is a significant increase over the 163 calls logged for 2017. During 2018, Hadley Animal Control mainly saw an increase in the number of wildlife and dog related calls.

Calls for Service:

-  **134 call(s) involving Dogs**
-  **102 call(s) involving Wildlife.**
-  **54 call(s) involving Livestock**
-  **24 call(s) involving Cats.**
-  **7 call(s) for other (i.e.: Information requests)**

During the year of 2018, Hadley Animal Control saw some significant changes. In January of 2018, ACO Kyle Dragon took over the primary duties of Animal Control. The Animal Control department now has an officer that is specifically dedicated, which operates within the police department.

ACO Dragon has done phenomenal work creating and revamping policies and acquiring the equipment needed to complete his responsibilities adequately. He has also established a working relationship with the Amherst Animal Welfare Department.

ACO Dragon worked with the Town Clerk's Office during the Spring of 2018 to bring the dog registrations lists update and getting past dogs removed from the town dog lists. Moving into 2019, the Town Clerk's office will be able to start with a clean slate for dog licensing now that the old license data has been removed.

At the 2018 Annual Town Meeting, the Town residents accepted and passed Article 18, which provided a significant revision of the towns Animal Control By-laws. We recommend anyone who is not aware of the changes within the new bylaw to take a minute and look it over.

We would like to remind everyone, that dog licenses are due by April 1st of each year and that every dog, cat, and ferret, (6) months or older must be vaccinated against rabies. Please make time to see the Town Clerk for your licensing needs. A \$20 late fee is added after June 1st.

Approximately 30 By-Law Citations were issued for delinquent dog licenses after a significant phone and mail reminder initiative. It is our hopes in 2019 to issue none.

Also, please make sure your pet wears their license. The license information is often used by the Police Department to return a dog home immediately. Being able to return a dog home eliminates the need to charge kenneling fees.

Anyone with Animal Control questions can contact ACO Kyle Dragon directly. If you have an urgent or immediate situation, please contact the Hadley Police Department at **413-584-0883**.

ACO Dragon can be reach by email at: **dragonk@hadleyma.gov** or by phone at **413-230-6456**

Respectfully Submitted,
Lt. Mitchell Kuc
Animal Control Supervisor
Hadley Police Department

Department of Public Works

MISSION STATEMENT

The mission of the Department of Public Works is to provide the safest, and the most efficient and effective operation of the town services and the most efficient maintenance, repair and capital improvement of town infrastructure in the most courteous, professional and citizen-responsive manner. The Department of Public Works provides the essentials of daily living to all the residents and businesses of Hadley which include the distribution of safe, clean drinking water; the maintenance of town roads, sidewalks, sewer and storm drainage infrastructure; collect and treat wastewater; maintenance and care of public shade trees located in town right-of-way (TROW) Building Maintenance and cemetery.

This mission is accomplished through the department multi-disciplinary Divisions including Administration, Highway/Vehicle Maintenance, Building Maintenance & Cemetery, Water and Sewer, The Department is also responsible for the care and maintenance of Public facilities.

Administration

The DPW Administrative staff is responsible for the budgeting, planning, construction, maintenance and overall management of the entire scope of services provided to the citizens of Hadley by the Department. They also provide effective leadership and management support and direction working to maximize resource performance and achievement of department outcomes in the functional areas of operating and capital budget. The success of the Department could not occur without the talent and commitment that exists within its workforce, along with the support and guidance that is provided by the Board of Selectmen, Town Administrator and the cooperation that exists between town departments.

Highway Division

- Chapter 90 road work

Hot Mix Asphalt

Railroad Street (Middle to Whalley), Quinlan Ave. (Breckenridge to end); Szafir Lane (Rocky Hill to end); Morningstar (Shattuck to end); High Meadow (North Maple to end); Kentfield (Laurana to High Meadow); West Street (east section north of Route 9) shim for chip seal; South Middle St. (#221 to #230) shim; River Drive (various short areas) shim for chip seal

20% Rubber Chip Seal

River Drive (Rocky Hill to Stockwell); River Drive (#264 to Stockbridge); Shattuck Road (Comins to Lady Slipper); West Street (east side north of Route 9)

Crack Sealing

Stockbridge Street (River Drive to Knightly Road); Middle Street/River Drive (North Lane to Rock Hill); River Drive (Stockbridge to #264); River Drive (Stockbridge to Rocky Hill)

- Pavement Management plan done by Beta Group
- Storm water map completed by CEI (engineering firm) and added to GIS
- Repairs done by department-
- 16 Catch basins rebuilt
- 176 tons asphalt for potholes
- Dug out failed drainage pipe and installed new one on Goffe Street
- Prepared pad for building pavilion at Elementary school; paved walking area from sidewalk into pavilion; seed and loam
- Repaired drainage ditch on Rocky Hill with rip rap to comply with Conservation Commission
- Major repair- removed rotted metal 30” culvert on Moody Bridge Rd and replaced with 36” ADS pipe working with Conservation Commission and CEI Engineering.
- Moved old shed from Public Safety Complex to DPW
- Converted old sewer truck to mechanics service truck
- New mechanic clean and organized Garage and stock room
- New Ford 550 received. Another replacement vehicle Ford 550 was approved at town meeting
- New hire John Boisvert
- Storm water map completed by CEI (engineering firm) and added to GIS
- Alarm system installed at DPW & Sewer plant

Building Maintenance Division

- Waxed town hall floors.
- Re surfaced salt shed entry roof.
- Replaced condensing unit at Town Hall

Water Division

- Said good bye to Dan Kelley and welcomed Peter Clough as a secondary operator.
- New meter reader MRX920 mobile data – used with map on laptop. can now read all radio reads in @ day.
- Repairs, upgrades and preventative maintenance at the Ultrafiltration plant. Aaron and Associates upgraded and calibrated our equipment including upgrading our raw water turbidimeter. We also had our clear well cleaned and inspected by Under Water Solutions.
- Repairs to distribution- replaced broken curb stops, installed new services, and repaired or replaced old hydrants. In October we replaced a leaking valve on the main on Chmura Rd. We also installed a Hydrant and valve on Bay Rd to allow us to isolate a water main that needs repair. We continued painting hydrants.
- The Hadley Water division pumped 256,769,768 gallons of water this year. As part of the meter replacement program 115 new meters/registers were installed. A total of 34 water applications were taken out for home or business construction and a total of 2304 meters were read four times. We also performed 460 backflow tests on 271 backflow devices.

Wastewater Division

- Videod pipe and lined defective pipes

- Routine maintenance consisted of checking all 9 pump stations daily, tending to the plant, flushing mains, pump, and generator maintenance.
- The annual Grease Trap Inspection Program continues to provide benefits by eliminating grease fats and oils from entering the collection system and helping to avoid costly maintenance/pipe repair.
- Installation of the Mission monitoring system complete May 2018
- Pump stations 5, 6 & 7 electrical controls relocated.
- The Wastewater Treatment plant processed an average of 417,750 gallons per day in 2018.
- The plant is running at 77.4% of capacity of authorized capacity.

In closing, I would like to acknowledge the services of Marlo Warner as the DPW Director from 2016 through 2018. Mr. Warner left at the end of September 2018. We thank him for the years of service and my first month on the job has been gratifying. Thanks to Bill Kelley and Sharron Gifford for acting as the interim Co-directors while we searched for a new Director.

I would like to thank the residents of Hadley, Select Board and Town Administrator for their support. I would also like to thank the hard-working personnel of the Department of Public Works for their hard work and support.

Respectfully submitted,
Chris Okafor
DPW Director

Planning Board

To the Citizens of the Town of Hadley:

The Planning Board experienced a busy 2018; applications ranged from various Site Plan Applications to Zone Bylaw amendments.

Some notable items from 2018: Site Plans for the Senior Center and Library projects were received and approved, the Pride Station near the Coolidge Bridge began operation, construction started on several new buildings at the Mt Farms Mall site (their plan is for: a Five Guys restaurant, an 101 Restaurant, a LL Bean retail store and one more available tenant), construction started on a Harbor Freight Tools at the former Kicza Lumber site, and construction started on a dentist office at the former Stan's Vegetable Stand site.

The Senior Housing Project of East Street is well under construction and all the units (built or unbuilt) are under sale contract. The developer has informed the Planning Board he is interested in constructing another Senior Housing Project, possibly on Middle Street, but no plans have yet been submitted to the PB.

The most notable proposed Zone Bylaw amendment that is currently undergoing design is the Adult Use Marijuana. This will address retail sales and cultivation in Town. It is receiving a substantial interest from citizens regarding where and how to cultivate. This Bylaw must be ready for the Spring 2019 Town Meeting.

The Planning Board continues to utilize the contract planning services of the Pioneer Valley Planning Commission (PVPC) for zoning consultation. And as in past reports the Planning Board would like to thank John Harrison and HPAT for their continuing thorough coverage of the Planning Board meetings.

Respectfully submitted:

William E. Dwyer, Jr. - Clerk

James J. Maksimoski - Chairman

John Mieczkowski

Michael Sarsynski

Joseph F. Zgrodnik

Inspections

TO THE BOARD OF SELECTMEN AND THE CITIZENS OF THE TOWN OF HADLEY:

A total of 414 building permits were issued this year. \$139,609.38 was collected in fees for all building permits. Fees totaling \$742.50 were waived this year. Sixty-one (61) annual inspections were performed. These are life and safety type inspections of schools, motels, restaurants, theaters, and other assembly type buildings. A total of \$2,500.00 was collected in annual inspection fees with another \$240.00 of annual inspection fees waived for Town owned buildings. A total of \$250,082.67 was collected for all permits, fines, fees, and inspections. Commercial growth continues along Russell Street and has been a priority with Inspection Services

The Pride gas station, near the bridge, finally opened at the end of this year. This project used an enormous amount of town officials time and energy including Conservation, DPW, Fire, electrical, plumbing and building to insure the project met all town, state and federal regulations. Several new commercial buildings were also started. At the Mt. Farms Mall, a new LL Bean store took the place of the old Burger King, the old Florence Savings Bank will now be the home of 110 Grill, 5 Guy Burger and 2 smaller leased tenants. Sam the Vegetable Man at 206 Russell Street was demolished for a new dentist office. All of the new buildings are slated to open sometime late spring of 2019.

The first 55 & older development, East Commons Drive, off of East Street has been very popular.

Developed by Barry Roberts, the last of the units have been sold. Many of the new owners have opted to add many upgrades to their homes. What a great little community this has turned into. The Town is in need of more 55 & older units. It is hoped this can happen in the near future.

Other than the new homes on East Commons Drive, there were very few single-family homes built this year; only 4 were constructed. The ones that were built were all high energy efficient homes with state-of-the-art heating systems as well as lighting. It's great to see owners wanting to reduce their carbon footprints. Many homeowners are still upgrading and renovating their homes. Bathroom and kitchen renovations are popular upgrades,

Doug Rae, Alternate Electrical Inspector retired this year after 10 years of service to the town. He was first employed on July 1, 2008 and retired on February 28, 2018. Electrician Paul Miller has taken on the duties of Alternate Electrical Inspector. Paul has transitioned into the role quite nicely. Richard Witkos also retired this year as the Alternate Plumbing and Gas Inspector. He worked many years for the town. Ray Shipman has taken over the duties as Alternate. It is very fortunate that the town has been able to find qualified Professionals to fill these positions. It is getting very difficult for many towns to fill these part time positions since all of the positions require state certifications for which continuous education is mandated.

The majority of local licensed building contractors transitioned into the new edition of the State Building Code very well. Several have been reaching out seeking answers to energy efficiencies issues. Our local contractors are stepping up to learn about the continuing changes to the energy code. They are not relying on any of the old rule of thumb design techniques when designing heating systems but rather learning the new technologies and then advising clients on better ways to reduce energy consumption. This is very encouraging and a vast change from years past. Putting monies into better insulation, reducing air flow within wall cavities, installing solar panels, mini-splits and LED lighting can reduce energy consumption by more than 50% from

standard house design practices. Please reach out to the town inspectors if you have questions. We are here to help and encourage everyone to come on into the town hall and discuss any future renovation plans that you may have.

PERMITS	#	Fees Paid	Project Cost

Community Preservation Act Committee

I am pleased to report that this has been another excellent year for Hadley and its prudent use of Community Preservation Act funds. Hadley has used CPA funds for 67 projects since 2005 and ranks near the top of recipient towns for state matching funds per-capita. In fiscal 2018 Hadley received an 87% match in state funding totaling \$ 115,775.00 and \$ 133,192.86 collected through the local property tax surcharge and \$25,542.40 in interest. Having a large CPA fund helps the town's balance sheet and improves the town's credit rating. Hadley's current total available funds for CPA projects is difficult to determine because there are still several projects for which money was allocated and never used, but not formally returned to the CPA fund such as ATM 2014 Article 21 N. Hadley Hall Preservation \$21,600. One goal of the committee is to have those unused funds returned to the CPA general fund.

As of this writing the total amount CPA money available is approximately \$1,994, 128.37.

The CPA continues to receive tremendous support in Hadley. All of the proposals to come before town meeting in 2018 passed. If you have an idea for a CPA funded project, please contact me and someone on the committee will help you through the process.

There have been several changes to the personal on the committee that oversees the CPA process. Amy Fyden has taken over from Randall Izer as treasurer and Carolyn Holstein has joined the committee representing the Historical Commission. The chair would like to single out Amy Fyden and Paulette Kuzdeba for their outstanding work. Paulette has served as secretary and taken minutes of our meetings for several years now. Amy has represented the CPA with distinction before the Finance Committee and the Select board.

On behalf of everyone on the CPA committee, I would like to both thank those who have served so ably, and welcome those new members to what I believe is the best committee in town. A short review of new projects and expenditures follows.

Andy Morris-Friedman

Projects passed at ATM 2018

Town Hall Pillar restoration \$35,000

N. Hadley Church restoration #1 \$55,675

STM 2018

N. Hadley Church restoration #2 \$26,000

Hockanum Cemetery project \$23,000

Plainville Cemetery project \$12,000

Conservation Commission

The Conservation Commission meets the second Tuesday of each month. During those meetings in 2018, they reviewed seven Notices of Intent in 13 Public Hearings. These projects included commercial redevelopment in Riverfront Area and floodplain, paving of an UMass parking lot, a large wetland delineation for new development, and three town projects (new athletic fields at Hopkins, new Senior Center and culvert replacement). There was also one extension and one amendment to existing Orders. The Commission approved nine Requests for Certificates of Compliance for work completed. There were 12 new Requests for Determinations, reviewed in 15 Public Meetings. There was one emergency permit for DPW ditch repair, and four violations with enforcement action for doing work without a permit (3) or construction erosion and sediment control failure.

The Commission approved funding for a new APR (Agricultural Preservation Restriction) on East Street (Niedbala). The West APR (107 acres off South Maple St) was completed this year with funding assistance from the CPA (Community Preservation Act). The Commission coordinated with Kestrel Land Trust on some land preservation planning. The Commission approved two Requests for Determinations to allow continuation of efforts to control water chestnut (an aquatic invasive plant) at the three known sites in town. These sites are Hadley Cove, Russell Cove and Lake Warner. Volunteers are needed to help with this work during the summer. Please contact the Commission or Friends of Lake Warner if interested.

In other activities, the Commission hosted a Regional Wetlands Forum for DEP, MACC and Conservation Commissioners of western MA. At the request of the town, the Commission created an administrative fee schedule under local bylaw permitting, which went into effect on July 1st. The Commission continued to work on the River Rules, to be issued soon.

Respectfully submitted,

Paulette Kuzdeba (Chair), Gary Pelissier (Vice-Chair), Gordon Smith, Stephen Szymkowicz, Edwin Matuszko, James Habana Hafner, and Toni Lyn Morelli (Commissioners), Adam Goodman (Associate Commissioner), and Janice Stone (Staff).

Porter-Phelps-Huntingdon Foundation, Inc.	Wednesday Folk Traditions 2019	\$600
Racial Justice Rising	Monthly Racial Justice Program Series	\$200
Root, John	Edible Wild Plants Walk	\$50
Snyder, Sara	Joy of Song Community Sings	\$400

Sincerely,
Maureen Shea, Co-Chair
Hadley Cultural Council

Cemetery Committee

THE SELECT BOARD AND RESIDENTS OF HADLEY

North Hadley Cemetery

The Town of Hadley Cemetery Committee met four times in 2018.

The town operates and manages five historic cemeteries dating back to the 17th century, including Old Hadley, Hockanum, North Hadley, Russellville and Plainville cemeteries. .

Two new members, Alan Weinberg and Diane Stengle joined the Cemetery Committee in 2018. We are looking for a new member for the North Hadley Cemetery to replace Jim Freeman who has resigned. We thank Jim for his many years of service on the Cemetery Committee.

2018 Cemetery Activities and Projects:

--Revised and updated cemetery regulations and forms

--Prepared and submitted proposals for Community Preservation Act funding for gravestone assessment and restoration work. Funding for these projects was approved by the Community Preservation Committee and the Fall Town Meeting and is expected to proceed early in 2019. s. There are two proposed restoration projects: 1. Restoration of historic gravestones at the Hockanum Cemetery; and 2. Gravestone assessment surveys of the Plainville, Russellville, North Hadley, and Old Hadley (Center Portion) to determine restoration work at these cemeteries. The Committee reviewed and recommended SelectBoard approval of bids received for these projects.

--Worked with the Department of Public Works to develop a proposal and Town Meeting article to clarify the roles and responsibilities of the Cemetery Committee and the DPW, which was approved at the Fall Town Meeting. Going forward, the DPW will have primary responsibility for operation and management of the cemeteries and the Cemetery Committee will advise and assist the Department primarily by providing information to the public, sale of lots, record keeping, and advocating for cemetery improvements.

--American flags were placed at veterans' graves for Memorial Day with the assistance of Hadley Girl Scouts.

--Gave a tour of the Hockanum Cemetery as part of Barstow's Hockanum Village Day and attended the Hockanum Village Association annual meeting to discuss ongoing and future cemetery improvements at the Hockanum Cemetery.

--Handled several requests for historical/family information at the cemeteries; assisted funeral homes and families in arranging for burials, purchase of lots and/or installation of memorial stones and markers.

--Worked on updating and digitizing cemetery records at the Russellville Cemetery (this is an on-going project)

Plot Sales and Burials for calendar year 2018:

Seven plots were sold, all in Old Hadley

There were three burials at Old Hadley, including two cremation interments.

There were two burials at Hockanum, including one cremation interment.

There were no plots sold or burials at North Hadley, Plainville or Russellville.

There are still lots for sale at Old Hadley and Russellville cemeteries.

Looking ahead in 2019

The Committee will continue to work on cemetery restoration and preservation projects, including gravestone repair and restoration and possibly repair of the Hockanum stone fence, and will continue to work on organizing and updating cemetery records and maps. Also will work on implementation of Town Meeting article clarifying DPW and Cemetery Committee roles and responsibilities.

A limited amount of tree work to remove dead trees and prune others at Old Hadley and North Hadley is planned for early 2019.

Our thanks to Hadley Department of Public Works and interment specialist Gary Berg who continue to do an excellent job in assisting the Cemetery Committee.

The Cemetery Committee can be contacted by calling the Public Works Department office.

Respectfully submitted,

Town of Hadley Cemetery Committee:

Alan Weinberg	Chair and Old Hadley
Merle Buckhout	Hockanum
James Freeman	North Hadley (resigned)
Diane Stengle	Russellville
Emily Remer	Plainville

SUPERINTENDENT OF SCHOOLS AND THE HADLEY SCHOOL COMMITTEE

TO THE SELECT BOARD AND THE RESIDENTS OF HADLEY

We are pleased to submit this Annual Report from the Superintendent and the Hadley School Committee for the Hadley Public Schools. We continue to appreciate the importance the residents of Hadley place on stewardship and community. Hadley is a place where people care for one another, contribute to the well-being of their neighbors, and support their public services. We are moved by the generosity that characterizes the residents, employees, and volunteers in Hadley.

The Hadley Public School District benefits greatly from the donations of time and resources from members of our community. Once again this year, our district continues to receive generous donations from Helping Hearts for Hadley Schools, Hadley Mothers' Club, Hadley PTO, Hopkins Board of Trustees, the Edward Hopkins Foundation, and our Athletic and Music Booster Clubs. Our parents continue to support our schools by attending extracurricular events and volunteering to assist with various activities and programs in the schools. All of these individuals and groups, through their sustained, collaborative, and coordinated efforts have contributed to our district success. We have included highlights of recent successes that we have achieved together below. You will find detailed information about each school in the reports from the building principals.

Staffing

We are fortunate to have hired Principal Jennifer Dowd and Special Education Administrator, Pam Haywood. We would also like to thank two of our retirees in the Supt. Office- our Bookkeeper, Mary Smith for 35 years of service and our Network Administrator, Mike Duffy for 16.5 years of service. We are pleased to have hired David Olsson, our new Network Administrator and Tasha Majerowski, our new District Bookkeeper.

Here are a few of our recent successes:

Academic Expectations, Effective Instruction, Aligned Curriculum, Engaged Learning

- Implementation of high school 1:1 Chromebook program
- Creation of a fully equipped S.T.E.A.M (science, technology, engineering, arts, and mathematics) Lab at HES
 - Acquisition of 3D printers and makerspaces at HES and HA
 - Development of Junior Firefighter and EMT program at Hopkins Academy
 - Development of Personal Finance course (graduation requirement) at HA
- HA graduates successfully completing AP coursework increased from 51% in 2013 to 70% in 2017

School Climate and Culture and Social and Emotional Health and Learning

- 36 Hopkins Academy High School students trained as Active Bystanders by Quabbin Mediation resulting in approximately one-quarter of high school students being Trained Active Bystanders in 2018-19
 - Numerous student-leadership and service projects including: HA service trip to Nicaragua, HA Diversity Club Soup for Syria and Plates for Puerto Rico events, HES' Pajama Project providing pajamas and books for needy families, HA Gender Equity Social Norms Campaign and student-led dialogues, and HES Student Council creation of a "buddy bench" to help all students feel included at recess
 - Development of Suicide Prevention Handbook, Protocols, and Curriculum
- Implementation of onsite access to Riverside Counseling Services in 2019 to eligible HA students
- 94 percent of 8th grade students responding to the 2018 DESE Climate and Learning survey agree with the statement, "My teachers believe that all students can do well in their learning," and 90 percent agreed with the statement, "My teachers set high expectations for my work."
- 96 percent of 5th grade students responding to the 2018 DESE Climate and Learning survey agreed with the statement, "My teachers are proud of me when I work hard in school," and 95 percent agreed with the statement, "My teachers help me succeed with my schoolwork when I need help."
- District awarded \$25,000 Social and Emotional Learning Innovation grant through the Rockefeller Foundation to support Dialogue Facilitation sessions, the development of facilitator training and curriculum materials, and the purchase of updated social and emotional learning curriculum

Capital and Facilities Improvements – Investments in Learning

- \$553,000 in town funding for Hadley Elementary School air conditioning installation
 - \$55,000 in town funding for Hopkins Academy cafe replacement walk-in cooler
- \$400,000 in town funding for Hopkins Academy athletic fields renovation and redesign with an additional \$185,000 in additional funding recommended by the CPA and \$200,000 in donations from the Hadley P.T.O, Hopkins Academy Board of Trustees, and private donors
- \$34,000 in donations from Helping Hearts for Hadley Schools in 2018 to fund teacher requests for materials and supplies
- Ongoing financial support from Hadley Mothers' Club for the district's notification and messaging system, as well as other school and district initiatives
 - Support for teacher mini-grants from the Edward Hopkins Foundation

This list represents a fraction of what our schools accomplish with the support of parents and the community and the dedication of our staff. We would like to end by personally thanking all of our staff, our administrators, administrative support staff, custodial staff, and our food service

staff. Lastly, we would like to thank the residents of Hadley for your ongoing support of our schools.

Respectfully Submitted,

Anne S. McKenzie, Ed.D
Superintendent of Schools, Hadley Public Schools

HOPKINS ACADEMY

I am pleased to submit the annual report as the Principal of Hopkins Academy for 2017-2018. Enrollment as of December 31, 2018 is 251 students:

GRADE	Total
7	46
8	46
9	35
10	39
11	32
12	51
Continuing Ed	2
Total	251

SCHOOL UPDATES:

Staffing:

Hopkins Academy is pleased to have made the following additions to our faculty and staff: Miriam Gladstone Helak (High School Mathematics Teacher), Adam Hemingway (8th Grade & High School Mathematics Teacher), Erin Beckett, Library Media Specialist, and Chelsea Dann, School Counselor.

Staff, Curriculum & Program Development:

The Hopkins Academy Faculty and Staff are engaged in extensive training with Hadley Public Safety personnel, including local police, firefighters and emergency response personnel. With the guidance of State Trooper James Carmichael and former School Resource Officer Sgt. Michael Romano we have redesigned and implemented research-based crisis response protocols. The training continues this year during school and district professional development days and during staff and faculty meeting times. All faculty and staff, with Sgt. Romano and the support of Hadley Police, now regularly engage in training with our students to improve the preparedness of all members of the school community to respond to a wide variety of safety concerns and challenges. This year's professional development goals have a more diverse focus of activities through the development of content and skill-enhancement Professional Learning Communities. Some of these

include the areas of Social-Emotional Learning, Math Interim Assessment and Instructional Response. The Social Studies Department is reviewing and revising the scope and sequence of our course requirements to align with the revised MA Social Studies & History Curriculum Frameworks.

Hopkins Academy is exploring a variety of certification programs. Currently, Superintendent McKenzie has applied to the MA DESE to allow Hopkins students, who exhibit and meet requirements for advanced language skills, to be awarded the State Seal of Bi-literacy. Certifications are also being proposed for science, technology and mathematics (STEM), international/domestic travel, as well as advanced business and financial literacies. Educational travel plans are being created by Hopkins Academy faculty, including trips to Washington DC, Europe, and a service learning trip to Costa Rica. Hopkins has added successful completion of Personal Finance as a graduation requirement. New courses have been added to our Program of Studies this school year including Honors Calculus, Advanced Placement World History, Advanced Placement French, Art History, Film & Literature Studies, as well as high school and middle school electives courses in Media Studies, allowing students to more effectively and appropriately manage electronic communications. In the coming school year, Advanced Placement Economics will also be added to the Program of Studies.

Former Director of Technology Michael Duffy completed the implementation of a 1-to-1 Chromebook initiative for Hopkins 11th and 12th graders. Thanks to the financial support of the Town of Hadley, the Hopkins Academy Board of Trustees and Helping Hearts for Hadley Schools, we now have technology holdings that allow Hopkins to extend that initiative to the 10th grade.

Student Leadership/Initiatives:

Hopkins Academy Student Council has continued to cultivate and exercise strong and thoughtful contributions of student leaders in the school community. Their efforts led to a dignified and solemn Veterans' Day ceremony, continued improvements to Spirit Week celebrations and the requests for intermittent inquiry sessions with Principal Brian Beck, allowing students the opportunity to gain insight and provide opinions on matters of policy and administrative initiatives. The Gender Equity Task Force has implemented a Faculty Reporting Network to support students on safe reporting of concerns about issues, such as harassment, bullying, racism and sexism. The task force also enlisted the generous contributions of local photographer Tom Pitta to engage the entire school community in a campaign to recognize and stand up to acts of sexism. Further efforts of the task force leadership, with the support of Hopkins faculty, resulted in three successful dialogue sessions with all Hopkins students. Hopkins Academy Diversity Club held a community education and fundraising event in December raising more than \$1,000 for Puerto Rican families displaced by recent hurricanes.

Notable Achievements: On the 10th Grade MCAS Exams, 91% of Hopkins students scored Advanced or Proficient on the ELA test and 88% of students scored Advanced or Proficient on the Mathematics test. Both of these achievements are above the state average. Senior Sophie Berard was recognized by the School Committee as the recipient of the Massachusetts Association of School Superintendents Academic Excellence Award. She has provided a legacy of outstanding leadership as the two-year President of our active Student Council. Fellow Senior Aedan Cullen

was selected as the recipient of the National School Development Council's award for exemplary scholarship and contributions to the school and community. In addition, Aedan Cullen has also been selected as a National Merit Scholarship Finalist. Congratulations to 7th Grade saxophone player Christopher Rex, who was selected to the Western Mass District Band and also to Senior Trumpet Player Zachary Jekanowski, who was selected to the All State Band.

Congratulations to the 2017-2018 Hopkins Academy Mock Trial Team which won the first District Championship in the history of the club's competitions. The 2018-2019 team is currently undefeated and returning to the district playoffs. In basketball, Samantha Jenks was selected as All-Western Mass for the Girls and Jonathan Morrison and John Earle were selected for the Boys. Last spring, the Baseball Team won the Western Mass District Title in Division IV. Jonathan Morrison, Justin Butterfield, Mike Curran, John Earle, and Jack Feltovic qualified for All-Western Mass honors. Varsity Baseball team member Thea Hanscom was selected as one of 140 players from across the country, to try out for the USA Women's' National Baseball Team. Congratulations to Thea, who made it to the top 40 players in the nation. In Softball, the girls reached the Western Mass tournament for the first time in 7 years. Macy Ring and Olivia Brighenti were recognized with All-Western Mass honors.

Board of Trustees:

The Hopkins Academy Board of Trustees has again shared their resources with our students and staff to bring exceptional educational enhancements to our school. The great generosity of the Trustees has provided our school with \$21,000 worth of educational enhancements this past fall. They have also maintained their provision of funding breakfasts for high school students taking the MCAS exam and our Honor Roll recognition breakfasts. The Trustees continued to provide funding to send Hopkins Athletes to the Sportsmanship Summit at Gillette Stadium. The Board of Trustees continue to provide funding to defray the cost of learning beyond the classroom, including \$2,500 for transportation for high school students to travel to Washington DC and for the 8th Grade team building trip to New York City. In addition, the Trustees continue to support the 7th grade Nature's Classroom program, with \$3,400 for transportation, significantly reducing the cost for families. A Middle School Science Fair fund was also created and \$2,000 was given to purchase equipment for Hopkins' Film Studies program. Mr. William E. Dwyer, Jr., Trustee President presented more than \$20,000 in scholarships and awards to 34 members of the Class of 2018 at graduation. Our students and staff are deeply appreciative of the resources provided by the Board of Trustees, which enhance the educational experience for all of our students.

Supporting Organizations:

We have a significant number of individuals and local organizations that help support a variety of educational resources and opportunities for our students and our community. I would like to express our gratitude to the Athletic Boosters and Music Boosters, for their dedication of time and resources to ensure that our student athletes and performing musicians are well-equipped. Hadley Mother's Club and Hadley PTO continue to provide extensive financial support to our school, our students and our families. Helping Hearts for Hadley Schools continues to raise funds to support our schools, through their annual April Road Race, providing more than \$40,000 of educational enhancements to Hopkins over the last 5 years. The parents and members of each of these organizations continue to exhibit extensive dedication to our students, our school and community and provide an exceptional foundation of community support for excellence in education.

Appreciation:

On behalf of the entire school community at Hopkins Academy, I would like to thank the Board of Trustees, Helping Hearts for Hadley Schools, the PTO, The Hadley Mothers' Club, the Edward Hopkins Foundation and those families who lead and support our booster organizations. These members of our community are incredible assets to our students and staff. I would also like to thank Thomas Pitta and Joe Lanzafame for their time and dedication in offering their expertise by starting a Photography Club at Hopkins Academy. I would also like to thank the parents and families for the endless hours they put in supporting their children and staying involved in our school. Thank you also to Hadley Public Safety personnel and Fire Chief Mike Spanknebel for offering and supervising Emergency Response Internships for two members of the Senior Class.

Respectfully submitted,

Brian Beck
Principal

HADLEY ELEMENTARY SCHOOL

It is my pleasure to submit the following annual report for the Hadley Elementary School (HES) for 2017-2018. HES enrollment as of December 31, 2018 is 285 students:

GRADE	Total
Preschool	36
Kindergarten	33
Grade 1	24
Grade 2	33
Grade 3	35
Grade 4	29
Grade 5	49
Grade 6	46
Total	285

School Improvement Initiatives and Accommodations:

The Massachusetts Department of Elementary and Secondary reported HES as “meeting targets” and “not requiring assistance or intervention” in 2018.

English Language Arts (ELA): Using assessment data, the administration and teachers continue work on strengthening, enhancing, and improving student reading and writing skills and performance. ELA teachers administer weekly literature-based open-response questions and

engage students in the reading and writing processes across the curricula including mathematics, science and social studies. HES is in its seventh year of implementing the research-based Handwriting Without Tears Gr. K-2 writing program.

The University of Minnesota, in conjunction with the University of Massachusetts, has continued to offer HES a grant for the 2018-2019 school years to train K-5 teachers in an assessment / data gathering and progress monitoring process: FastBridge Learning Systems. The Formative Assessment System for Teachers (FAST™) combines Curriculum-Based Measurement (CBM) and Computer-Adaptive Testing (CAT) to transform the way teachers' measure and monitor student progress in reading, math and social-emotional behavior — with faster, more effective results. HES is currently in the second year of this grant and staff continue to assess and instruct students using the FAST data.

The MTSS (Multi-Tiered Support System) model has been expanded from K-4 to include fifth grade this year. An instructional block schedule was developed and all students, based on FAST reading assessment data, were placed in groups targeting their specific needs. Students were assessed mid-year (Data Days) to track progress monitoring and again at year's end. Students are placed in new skill groups as needed based on their progress data. Trained Educational Support Professionals (ESPs) assist classroom teachers by providing group instructional support. Year-end assessment data showed noteworthy improvement for all students last year. The MTSS model has proven to be a highly effective intervention.

Mathematics: Teachers provided students with more concentrated instruction for math topics which have been identified as areas of needed improvement from various formative and summative assessment data (i.e. 2016 MCAS results, MAP testing, Beginning/middle/ Year End math placement testing). A part-time math coach provides remedial instructional support for Gr. 1-6 students.

Positive Behavioral Interventions and Supports (PBIS): HES is in the 5th year of implementation of this research-based program. Teachers/Staff promote the positive Hadley Elementary HAWK (school's mascot) behavioral expectations with students. Students have been able to earn "Hawk Wings" for exhibiting positive behaviors associated with the HAWKS behavioral rubric: H = Honesty; A = Always trying my best; W = Willing to help others; K = Kind; S = Safe. Identified focus areas of good HAWK behavior are: hallways, bathroom, café/lunch, recess/playground, classroom, and bus. A PBIS Leadership Team met regularly to review student performance and discipline data to assess program effectiveness as well as areas for improvement. Data was collected and showed improvements, with less bus related and recess/playground referrals. There was an emphasis on getting all staff involved in school-wide PBIS initiatives, etc. A Level 2 program was continued which involved a Check In - Check Out system with high risk students. Teachers and ESPs were trained to provide daily support with identified students. A monthly progress monitoring meeting for the check in/out team was helpful in revising and refining specific student improvement plans.

In addition to the above, school-wide incentives were provided starting in January of last year. Students could use their wings to 'take a chance' on winning one of the monthly school-wide incentives. These 'prizes' ranged from having lunch with the Principal, arts and crafts activities

with staff members, and extra recess time, as just a few examples. There were also many prizes donated by local businesses which were used for these monthly school-wide incentives. Overall, the program has been a tremendous success.

Technology:

Each classroom has a Promethean Brightlinks projector and interactive whiteboard and a document camera. HES now has eight portable Computers on Wheels (COWS) units. Even kindergarten and first grade students are using iPads to reinforce instruction and learning of basic concepts. Teachers continue to receive training and professional development (offered from the Technology Integrationist) in the use of all available technologies. HES has a technology integration specialist who continues to create special learning opportunities, expand and improve upon curriculum units using technology, and support teachers in creating unique and authentic educational experiences for all HES students

Under the guidance of the integration specialist, BreakoutEdu has been used across the grades. Second grade once again used computers for their biome projects, and third grade used them to make solar system trading cards, green screen videos, and informational reports on the 13 colonies. Grade 4 again participated in an online global peace day project, as well as the global *If You Learned Here* project. Grade 3 had the opportunity to participate in an online visit with NASA through the DLN program, and grades 4-6 continued to utilize Google Classroom. Teachers worked with students on IEPs and 504 plans to add the ability to use Learning Ally (audio books) in the classroom. Staff also continued a pilot test of Upar-Universal Protocol for Accommodations in Reading. Lastly, HES continued to do the Hour of Code in all grades K-6.

School Council:

In addition to helping develop and implement the Hadley Elementary School Improvement Plan (S.I.P.), the HES School Council took inventory of the initiatives that they have worked on over the years, and discussed ways to sustain these initiatives. They maintained the Butterfly Garden for the current year, but also worked on developing a plan to sustain the garden over time. They also endeavored to increase parent involvement in the Council by creating a mission statement to help parents better understand the Council's role: "The mission of the Hadley Elementary School Council is to ensure that all students receive an education that meets the needs of diverse learners and to implement initiatives that enrich and add depth to the curriculum."

Personnel Changes:

Hadley Elementary School is pleased to announce the following new staff members: Pam Haywood was hired as the Special Education Administrator, Kokeb Mulugeteta was hired as a Kindergarten teacher, Tasha- Lea Williams was hired as a Special Education Teacher and Joanne Craig was hired as a Behavior Analyst. I was hired as the Elementary Principal to replace interim Principal Joan Wickman. All of these staff members were replacement hires.

School and Community Connections:

HES continues to enjoy partnerships in education with several town and local businesses and organizations. HES is most appreciative and grateful for the time, energy, support, and generosity of the following: Hadley Parent-Teacher Organization, Helping Hearts for Hadley Schools,

Edward Hopkins Foundation, Hadley Mothers' Club, Hadley Police and Fire Departments, Hadley Lions Club, Steve Lewis Subaru, Hadley Wal-Mart, Stop & Shop, and Easthampton Savings Bank.

Recognition and Appreciation:

HES has an incredibly dedicated, collegial and talented staff of teachers, specialists, ESPs, administrative assistants, custodians, bus transportation and kitchen staff. We also have an excellent working relationship with our Police and Fire Departments. I wish to thank the entire community for the support and positive feedback that I have received. I continue to be impressed by the professionalism and teamwork that is exhibited and practiced daily all for the benefit and welfare of our students.

On behalf of the HES students and staff, I thank our parents/guardians, , Superintendent of Schools – Dr. Anne McKenzie, School Committee, School Council and Hadley community for their support of our fine school.

Respectfully submitted,
Jennifer Dowd
Principal

COUNCIL ON AGING

The Council on Aging's (COA) over-arching goal is to improve the quality of life of Hadley's residents 60 years of age and over, and offer the tools to remain independent within their own community through healthy aging programs, education, social interaction and services. COA's responsibilities include setting local policy, and providing intake or referral for services such as; Home Care, Meals on Wheels, Congregate meals, Fuel Assistance, SNAP benefits, Medicare Insurance counseling (SHINE), Veteran's services, serving as an advocate for elders; administrating the Senior Tax Work Off Program and educating the community-at-large about these needs and the available resources, in accordance with Massachusetts General Laws: Chapter 40, Section 8B.

The work of the Council on Aging is divided between those who are newly retired, mostly college educated, life-long learners- focused on maintaining their health, and the elder-elders trying to age in place, at home through services and resources.

Those elder-elders are living longer, increasing the need for home-based services, and the additional resources* which allow them to afford to "age in place" *safely*. *Additional resources are programs like Fuel Assistance, SNAP (formally food stamps), Prescription Advantage, etc., which help to afford the *primary expenses*. The Elder Economic Security Standard Index identifies those primary expenses as: Housing, Food, Transportation, Health Care, and Miscellaneous.

Statistics

The following selected information is from the *2018 Massachusetts Healthy Aging Community Profile 1* conducted by the Gerontology Institute in the McCormack Graduate School of Policy and Global Studies at the University of Massachusetts Boston and the Tufts Health Plan Foundation, which lists the Hadley Council on Aging as a community resource that promotes healthy aging.

- The total population all ages: **5,338**
- Population 60 years or older as % of population: **31.8%** compared to the state estimate of 21.2%
- Total population 60 years or older: **1,700**
- % of 65+ population living alone: **35.9%**

Cost of Living

Elder Economic Security Standard Index	\$ County Estimate	\$
State Estimate		
Single, homeowner without mortgage, good health	\$23,976	
\$24,636		
Single, renter, good health	\$25,980	
\$28,248		
Couple, homeowner without mortgage, good health	\$36,360	
\$36,168		
Couple, renter, good health	\$38,364	
\$39,780		

% 60+ that own their home in Hadley: **81.1%**

% 60+ that have a mortgage on their home in Hadley: **29.3%**

Funding

Primary funding sources for the COA are through the Town of Hadley and state funding through the Executive Office of Elder Affairs (EOEA) Formula Grant. FY 2018 Town funding was \$89,037 and State EOEA formula grant was \$13,473 for a combined budget total of \$102,510. Grant funding from other sources has taken a regionalization approach to funding, meaning they only want to fund resources that will benefit multiple COAs as opposed to helping to defray outreach cost or transportation specific to one town or city. This is why we depend so much on our 501(c)3, Friends of The Hadley Council on Aging to financially support us in meeting the need of a growing demographic, and infrastructure updates.

2018 in Review

Some sample numbers from the past year:

- An unduplicated count of **486** people attended programs for a total of **10,989** times.
- Ten exercise classes were offered; **135** people attended **3994** classes.
- **1484** Congregate Meals were served
- The foot clinic saw a **109%** increase for a total of **111** appointments.
- During the year, **2053** calls came into the office between 9am-2pm.
- **1413** people walked in to the Center to inquire about services or programs
- **52** volunteers put in over **3398** hours for the Senior Center.

COA Board: Officers served as follows: Chairman; David Storey, Vice Chair; Marguerite Wilson, Treasurer; Marjorie Townsend, Secretary; Rosalie Weinberg, with additional members Elizabeth Faulkner and Glenn Clark. The COA lost long-time board member Elsie Andrews due to illness.

Staffing: Changes included the resignation of Martha Izer in June as Outreach Coordinator. In October 2018 Lauren Hannigan was hired in her position. Lauren has a master's in public health and was previously doing in-home assessments for Aetna in New Jersey before moving back to this area during the summer of 2018. Violet Suska remains our stellar Program Coordinator, responsible for bringing double the programming and increasing our volume tremendously. Diann Tolpa is our van driver and also volunteers in our office on Tuesday afternoon. Other volunteer staff that are part of making the COA run efficiently are: Jane Nevinsmith, Carla Grabiec, Peg Banack and Connie Mieczkowski. Suzanne Travisano enjoyed her fifth anniversary as director in July 2018.

Building a new Center: In September of 2018, the Select board voted to reduce the size of the new Senior Center plans from 12,000 to 10,350 sq. feet in an effort to resolve space issues cited by the Planning Board. A revised design was submitted and approved by the Planning Board on November 20, 2018. We are expected to break ground on the new center in March 2019.

Summary:

Our statistics concur with the study mentioned in this report; that the Baby-Boomers are proactive in their approach to aging, attending exercise classes and programs on nutrition, and engage in life-long learning opportunities. We are also seeing an uptick in the need for social services to the elder-elders to remain in their homes despite chronic health or mobility issues. We expect our statistics to increase once we are in a new handicapped accessible environment.

Respectfully submitted,

Suzanne Travisano,
Senior Services Director
Town of Hadley, Massachusetts

BOARD OF HEALTH

Developments within the Board of Health this year included:

- Improved process and procedures within the department: development of annual goals, advancements with email, webpage, as well as new Facebook page, development of five to ten-year department plan.
- Improved collaboration among police, fire, and emergency medical services
- Appointed: Food, Pool and Camp Inspection Agents – Dave Zarazinski and Debra Palmer, Plumbing and Gas Inspector – Dennis Fil, Alt. Plumbing and Gas Inspector – Ray Shipman, Burial Certificate Agent – Jessica Spanknebel, Title V – Richard Wilga, Animal Inspector – Kyle Dragon, and Town Nurse – Marge Bernard & addition of new member Emma Dragon

Special Event Permits and Inspections – Asparagus Festival, Young Men’s Club Cruisers Nights, UMass Fall Festival, Crafts on the Common, Winterfest @ Hadley Meeting House, Kestrel Trust on the Common, Fundraiser at Hadley Elementary School.

Housing Inspections – 4 completed

Regulations Passed:

- Regulation to Ensure the Sanitary and Safe Operation of Adult-use Marijuana Establishments and the Sale of Adult-Use Marijuana
- Floor Drain Regulation

Permits Issued

Food	General Food (Including: Restaurants, grocery, schools, sellers/preparing of food products)	103
	Bakery	5

Emma Dragon – Board of Health Member

PUBLIC HEALTH NURSE

2018 Seasonal Flu vaccinations were provided by Rite Aid at the senior center for 66 residents and employees 18 years and older. The Massachusetts Department of Public Health no longer provides vaccines to insured residents. They will provide the Board of Health with flu vaccine for children and uninsured residents.

The nurse had 97 resident visits during Wednesday morning office hours. Blood pressure and blood sugar screenings are offered weekly. The sharps program distributed 23 containers and accepted 35 for disposal. Donated medical equipment continues to be available as a short term or long term benefit to residents with 64 items loaned and 29 items donated or returned. Local follow-up contact is made to residents with diseases reportable by the Massachusetts Department of Public Health. The nurse is a source for health information and education.

2018 DISEASE SURVEILLANCE - 47 reported cases

DISEASE	STATUS	# CASES
Amebiasis	C	1
Babesiosis	R	1

Respectfully Submitted,
Marge Bernard, R.N.
Community Health Nurse

FOOD, POOL, & CAMP INSPECTION AGENTS

We did 81 food establishment inspections and do 5 indoor pool and 2 outdoor pool inspections bi-annually. This year we had two recreational camp inspections. This year the Massachusetts Food Code is being updated including new additions and changes to be part of our merged Massachusetts and Federal Food code regulations. We will be working with food establishments to comply with the changes being made. We also work with the State DPH on projects that have been taken on to review and change the health codes for municipalities and maintain accreditation for the work we do for the town.

Respectfully Submitted,
Dave Zarazinski and Debra Palmer

BURIAL CERTIFICATE AGENT

Please find the attached list of Burial Permits issued and payments received by the Town Clerk's office for calendar year 2018:

Total permits issued	93
----------------------	----

Revenue collected from 2018 permits: \$1860.00

Respectfully submitted,
Jessica Spanknebel - Burial Agent

TITLE V SYSTEM INSPECTOR & SOIL EVALUATOR

Responsible for a variety of inspection services relating to Title V services, repairs and new septic system plan reviews, soil evaluations and final inspections for septic systems.

Revenue collected from 2018 permits and inspection fees: \$12,010.00

Title V Systems Inspector & Soil Evaluator – Richard Wilga

ANIMAL INSPECTOR

In May of 2018, I took over as Animal Inspector for the Town of Hadley. In addition to the role of Animal Inspector, I also serve as the Town's Animal Control Officer. The following is a breakdown of each of the primary responsibilities of the Animal Inspector.

Notifications of Animal Bites: May 2018 to December 2018.

These notifications are sent to local Animal Inspectors, from a medical practice or veterinary

clinic when they treat a person or animal that is presenting with a bite from another animal, or a wound of unknown origin (in the case of animals).

Notifications Received: 15 Quarantines Issued: 11 Referred to another agency: 4

Rabies Specimen Submissions to State Rabies Laboratory: May 2018 to December 2018.

I submitted (3) specimens to the State Rabies Laboratory for rabies testing. All the specimens submitted were bats. The results for these tests are as follows:

Positive Results: 0 Negative Results: 2 Inconclusive Results: 1

Livestock Import Inspection: May 2018 to December 2018.

I was notified of (5) shipments of livestock coming into Massachusetts from out of state. These shipments required a verification of health paperwork to ensure that the animals were safe to enter the commonwealth. As a result (7) cattle were inspected and found to have their paperwork in proper order.

Yearly Barn Inspection and Census Count: October, November, & December 2018.

The purpose of the yearly inspection and census count is to ensure that all animals are properly housed, provided with food and water, and appear to be healthy. As well as obtaining a livestock count that is used by the Massachusetts Department of Agriculture and myself for Emergency Planning purposes, so that in the event of a natural disaster or disease outbreak, we know what resources we need where. During the course of the census and inspections for the 2018 year, all the animals appeared to be in good health. The census is broken into specific categories and the total for those counts is as follows:

Dairy Cows	1726	Beef Cows	41	Oxen/Steers	28	Swine	1131
Horses /	151	Donkeys /	7	Llama /	7	Sheep	598
Goats	172	Rabbits	23	Chickens	718	Turkeys	10
Waterfowl	41	Gamebirds	6	Pigeons	28	Guinea Hens	4

Anyone with questions can reach me by email at dragonk@hadleyma.gov or by phone at **413-230-6456**. If you are contacting me about a possible rabies exposure from any animal bite, or a bat found in your residence, please call the Hadley Police Communications Center at **413-584-0883**.

Respectfully submitted,

Kyle Dragon
Inspector of Animals

Park and Recreation

The Hadley Park & Recreation Department is pleased to submit their annual report for the year of 2018. As always, we strive to offer programs that add to the quality of life of both children and adults in the Town of Hadley, as well as those in surrounding areas. In 2018, we found ways to reduce our budget and create income to help keep programs affordable to the families of Hadley. Equipment was updated, public communications were improved, and more volunteer coaches than ever were recruited to help with the numerous sports programs offered by the Park & Recreation Department. With the help of the Friends of Park & Rec, the Department was able to offer more youth scholarships to families than in previous years, which in turn increased enrollment in Programs across the board. The institution of a brand new computer system, Hadleyrec.com, for online registration and payment, towards the end of the year, promises to bring about new, effective, and efficient ways of communication and media outlets for the Department as we look towards the future of the Park & Recreation Community. We are a valuable contribution to the total development of Hadley as a whole. Park & Recreation is a small department with a small budget, 1 Director, and 3 volunteer elected Commissioners—yet we provide such a wealth to what our town has to offer to existing and future residents of Hadley! Please continue to support Park & Rec, as it enriches all ages in and around our community. We provide activities that get you out of the house or from behind the work desk, and we promote and use our local Hadley businesses. Let's continue to Improve Park & Rec.

Park & Rec hit the ground running in 2018! The first big gathering this year was Park & Rec's Annual Easter Party at Hadley Elementary School with the Easter Bunny. The weather was perfect as everyone gathered on the playground to collect the over 1,000 eggs scattered about. Following the scramble, everyone headed inside for pictures with E.B., crafts, light fare, and raffle prizes. The donations received this year from local businesses, including North Hadley Sugar Shack, and Arnold's Meats made for some amazing prizes and some happy community members.

We had another great Spring tee-ball season! Boys and girls between pre-kindergarten and age six came out to make the two teams for the six week season. Thank you to the six volunteer parent coaches who came out and made it work so well. It was an awesome Spring, filled with learning the beginning skills of baseball!

Hadley Park & Recreation was excited to have an array of Summer Program offerings this year, as it has each year, servicing kids between the ages of 6 and 14. We were able to offer six weeks of Summer Programming to the youth of Hadley consisting of Challenger Soccer Camp, Advanced Mobile Soccer Camp, Art-venture, Incrediflix, Mad Science, and STEAM - Wicked Cool Vet School. Along with the non-sport programming, Hadley Park & Recreation is proud to have had a relationship with Challenger Sports, Kids-A-Frik Soccer, and other local providers for the past several years. Park & Rec was fortunate enough to have a host of venues for these programs, and will continue to provide such wonderful programming with the support of the Town and our community members.

Park & Recreation offers a wide variety of After School Programs that are held all year long at Hadley Elementary School. The children enjoyed an after school dance class this year. The Mary Ann Studio of Dance is in their third year of a wonderful dance class, which is held every Monday for kids in kindergarten through grade 6. The ART-ventures Program is back as well, and is still drawing a great crowd! The always favorite, Mad Science classes continued to be hit for our after school kids. Park & Rec is continuously working on adding new and exciting programs for our school aged kids!

A few other off-site and exciting school-year extracurricular activities that are offered through Park & Recreation to our Hadley kids include Introduction To Fencing and Woven Word Young Writers Creative Writing Workshops in Hadley. All classes were held for a variety of ages and drew different crowds. The most popular of these classes is the Introduction to Fencing with Taro Yamashita. Hadley Park & Recreation has a great relationship with Taro, whom has been offering Fencing through Park & Rec for the last four years. Lynn Bowmaster, our Woven Word Young Writers teacher has done wonderful things with the talented writers in Hadley. Park & Recreation looks forward to their continued relationship with Lynn and the young writers in the Hadley community.

Our Fall Soccer Program, offered in conjunction with the Roots Soccer League for the third year in a row, was a success again. We were able to offer travel teams for grades 2 through 6, while our pre-k through 1st grade league was an instructional soccer program. Thank you to the dedicated UMASS coaches that Shaun Jenks brought to us, and parent coaches for heading up our six teams! For the older players in grades 2 through 6, this league offered exciting soccer opportunities. The highlight of the season for most of the kids was the all day jamboree at Hopkins Academy. Thank you to Shaun Jenks and Erik Sudnick for making this possible. It is a great day for all of the kids to play in front of the high school athletes they hope to one day become. Finishing the day by watching the high school players compete in a game, bringing everything full circle. A great time was had by all!

Our winter basketball program had another successful season. Our 3rd-6th grade co-ed team continued to have a great time and learn incredible skills, and we enjoyed playing many games in Hadley, Sunderland, Deerfield, Whately, Hatfield and Conway. Our instructional program, kindergarten-2nd grade was a lot of fun! For the second year in a row, we extended the program to play games with the Frontier Recreational League. The players from both Recreation Departments loved this extra “travel” game time. Thank you to all the parents and volunteers who made this special basketball season possible. Additionally, our Over-30 Adult Basketball League that is held on Wednesday nights, and is in its 19th year this year, has become a standard for winter exercise for many people over the years and continues to raise money to support our non-revenue activities.

The Hadley Park & Recreation Department is always looking to collaborate on events or do things in conjunction with other departments/groups. The Park & Rec Department strives to be a consistent partner throughout the year with various groups, organizations and departments in town, helping to make Hadley the best it can be. For example, we have supported the Firefighters’ Association in assisting the planning and implementing of their annual fundraiser, we traditionally have been a part of the Memorial Day Parade, and we continue to assist WGBY in organizing the Annual Asparagus Festival held on our Town Common. In 2018, Hadley Park & Rec also helped with the Police and Fire Department’s Stuff A Truck Toy Drive. Our department also offers seasonal free events for the public, including a Halloween Rag Shag Parade, Lunch with Santa, and an Easter Party with the Easter Bunny.

This year our Rag Shag Parade was a huge success! The kids lined up at Hopkins Academy in preparation to march to the Hadley American Legion where a Halloween Spooktacular event awaited them! The Legion donates half of the supplies and free space rental

for this event each year. THANK YOU HADLEY LEGION! This year we were lucky enough snag Ed Popielarczyk who provided the crowd with a magical Halloween performance to end the night. It was a candy, cider donut, fun filled evening for all!

On December 15, Santa and Mrs. Claus arrived on their annual visit by Fire Truck making several stops around town to meet and greet folks around Hadley. By lunch time, all gathered for pictures, pizza, and crafts at the Elementary School. Elves were at the school to help share candy canes and cookies. The Hadley Girl Scouts again showed their community support by staffing craft tables, and helping to raffle off the many free raffle items. Kids loved meeting Mr. & Mrs. Claus and getting their pictures taken. This year we also helped the Hadley Fire Department collect for their "Stuff a Truck" toy drive. This is an annual free event done in conjunction with Hadley Fire Department and Hadley Police. Another example of how our departments work together to bring fun and joy to our town! A big thank you to all the local businesses who donated items for giveaways and raffles.

Thank you to Chief Mike Mason, who is always eager to help our department and without the support of the Police Department our events would not be possible. A special thank you to the Hadley Fire Department and Chief Mike Spanknebel. The firefighters take time in their busy schedules to always assist with Park & Rec's seasonal events. Without the Police and Fire Departments it would be impossible to celebrate the magic of the holiday season with the neighborhood families. In addition, Park & Rec would like to take this time to share our appreciation to the donors and volunteers that make our spectacular events possible. Thank you!

Hadley Park & Recreation has made Room 110 on the second floor of the Senior Center building our temporary home. Thank you again to all who made that move so effortless and continue to show Park & Rec your endless support! Look for us in our new home, Spring 2019, the first floor in Town Hall! We would like to thank our three Commissioners for all of their hard work and continued dedication throughout the year.

An update on the Zatyryka Park Redevelopment from the Friends of Zatyryka Park

The development of Zatyryka Park is coming right along. With the reduction of the volunteer work group, the Park & Rec Commission has continued the effort to improve this valued resource. Our goal has been simple: turn the original redevelopment concepts into the plans, designs and construction documents needed to complete the project. We worked hard to include uses of the park that will benefit all the residents of Hadley and every age group. For more information or to support this effort, please contact the Park Commission office or check it out at the corner of Breckenridge and Huntington Road.

A note from the Commissioners Diane Ciolkos-Kieras, Steve Higgins, and Andy Klepacki...

We have had a very eventful year with the Park & Rec Department. We are excited to see continued progress at Zatyryka Park and provide many existing and new programming to the residents of Hadley. We also saw progress on the new pavilion supported by the department by PTO located at the Elementary School. We'd like to thank PTO for their efforts and Tim Neyhart for his continued service to the town spearheading this project.

We would like to thank our new Director, Jenny Lemberg, who has succeeded in facing many challenges this past year, and offer our gratitude to all of the volunteers and town departments that work with Park & Rec to help make our service and mission a success. To find out more of what we're doing in Hadley, please check out our web page or Facebook site, or one of our many program flyers. We are always so grateful for the community support but especially this year!

Veteran's Services

One of the primary objectives of Central Hampshire Veterans' Services is to administer state veterans' benefits in accordance with M.G.L. CH 115. In CY 2018, the Town of Hadley helped eleven veterans and their dependents with, needs based, financial assistance. The total amount of benefits issued by the town was \$65,664.92. The town received a reimbursement of \$49,248.72 from the state for benefits issued.

Hadley Media

To the Select Board and residents of Hadley,

2018 saw a continuation of the transition to a greater emphasis on local productions and content generation, as well as the installation of a new video server and connection to fiber optics, which improved the picture quality for subscribers to Charter, which still delivers our content in standard definition to channels 191 and 192.

Anyone with an Internet connection can view our coverage of government meetings and the local content produced by area residents via our website: Hadleymedia.org.

For 2017, we filmed 80 government meetings and assisted or shared 26 local productions. For 2018, we filmed 79 government meetings and assisted or shared 63 local productions. The Select Board and Finance Committee held 16 fewer meetings, but we increased coverage of other meetings such as the Capital Planning Committee, Community Preservation Act and Municipal Building Committee.

Also, a special thanks to Andy Morris Friedman for his work as our election correspondent and to the Hadley Mother's Club, the Hadley Historical Society, Goodwin Memorial Library and the Hadley Council on Aging for their enthusiastic support and assistance in providing coverage of local events.

Partnerships with local community organizations has helped us build our brand and we are happy to report that we have 95 followers on our Facebook page and 91 subscribers to our Youtube channel at the time of this report.

With the decision to demolish the Hooker School Building, we are presently coordinating a move to the Goodwin Memorial Library. This necessitates our being disconnected from viewers for an indeterminate time, though we will still film and live stream meetings and upload them to our website. A more existential crisis involves recent proposals by the FCC to change the funding regulations for local cable access. I anticipate court challenges if the proposals are accepted, but what is undeniable is the trend of cable subscribers cutting the cord. As we receive our funding entirely through a percentage of local cable bills, this has a direct effect on our operations. We are exploring ways to enhance revenues, though are constrained in part by regulations. I am confident that Hadley Media provides value to the our subscribers as well as diverse members of our community.

Hadley Media continues to offer free training and use of our equipment and facilities on a "first come, first serve" basis. We love to work with volunteers and can design an individual plan to meet the reasonable training needs of any resident, student or employee in Hadley.

Respectfully submitted by Drew Hutchison, Director, Hadley Media.

Goodwin Memorial Library

Mission Statement

The Goodwin Memorial Library offers residents of all ages a place to meet and interact with others in their community; the means to meet their informational and recreational reading, listening, and viewing needs; support for students enrolled in local schools; and the materials and support to better understand their personal and community heritage.

2018 was an important year at the Goodwin, not only for the services provide to the public, but also for the future of library services in Hadley. Usage of the town’s public library remained strong with 48,800 items circulated at the Goodwin in Fiscal Year 2018 as well as more than 20,000 patron visits recorded.

Library staff worked diligently to make sure that our collections are up-to-date and relevant. At the end of Fiscal Year 2018 the Goodwin's collections included 17,272 books, 3,688 DVDs, and 1,700 audio items (audio books and music CDs). Our membership in C/WMARS and Massachusetts Library System provided local access to tens of thousands of items such as e-books and downloadable audio.

Our library staff provided professional, friendly service to all who used the Goodwin in 2018. Our staff is Assistant Director Susan Brown, Children's Services Librarian Luna Greenwood, Circulation Assistant Karen Kowles, and Library Pages Talula Patenaude and Alexander Rusenko. In November we were joined by Youth Services Coordinator Sierra Damato who succeeded Ella Stocker in the position.

“Our Community, Our Library”

Having received the support of Hadley’s residents at the ballot in November of 2017 for the construction of a new, universally accessible library, 2018 was another active year with the new Library Building Committee working closely with our architects at Johnson Roberts Associates of Somerville. In November the joint site for the new Hadley Senior Center and library received approval from the Planning Board.

The current library construction timeline, which begins with the demolition of the Hooker School (the site of the new library) in late spring of 2019, shows completion of the building by the middle of 2020. We look forward to another year of incredible changes and also ask for your patience as construction begins. We will make every effort to remain open throughout construction.

The library’s capital campaign continues to solicit donations to the Hadley Library Fund. To date the campaign has received in excess of forty thousand dollars in contributions and continues its work to offset the cost of constructing and outfitting the new library. Many thanks to Courtney Afonso, Susan Garrett, Maureen Devine, and Jo-Ann Konieczny for their efforts.

Library Programming and Activities

Programming for all ages continues to be a big part of what we do at the library. Children's weekly activities included Tuesday morning story hour for toddlers and Lunatunes, a Thursday morning baby laptime, both presented by Children's Librarian Luna Greenwood. Other programming for kids included crafts, chess club with Andy Morris-Friedman, and our annual stuffed animal sleepover at the library. Hadley's heroes – DPW, Police, and Fire – visited in July with their trucks and cruisers. The library's summer reading program included Harry Potter themed events, Trevor the Games Man (supported by the Hadley Cultural Council), tie dying, and a kids' book and bake sale.

August saw the return of Robotics Camp led by Aedan and Kieran Cullen of Hadley's First Technical Challenge team. For four days a dozen young people learned basic programming, engineering, and problem-solving skills and were treated to lunch thanks to Hadley's The Quarters Restaurant and Arcade. Other programming for young adults included a monthly Dungeons & Dragons get together led by Alexander Rusenko and sponsored by the Friends of the Goodwin Library.

Adult programs included the Goodwin Library Book Club led by Susan Brown and the return of Adult Summer Reading, once again supported by the Friends of the Goodwin. Author talks in 2018 included poet and essayist Wally Swist of Amherst as well as Jonathan Carr and Nicole Blum of Carr's Ciderhouse who shared recipes from their *Ciderhouse Cookbook*. As in past years Luna Greenwood led the Goodwin ukulele group with players of all ages and skill levels gathering on Friday nights throughout the year.

The local poet and artist Christopher Janke's installation work entitled "Transit" was on display from March 19-24. The site specific work made use of natural and reflected light to cast text upon various surfaces within the library and required months of advance preparation. The work ended with a well-attended reception on March 24th.

Thank you

I would like to thank the many volunteers who have given so generously of their time on behalf of the Goodwin Library over the past year. As ever, we are humbled by the dedication of the Friends of the Goodwin Memorial Library led by Sharon Andres, Marilyn Brown, Rose Weinberg, Dottie Barnes, Susan Garrett, Linda Meehan and Dennis Meehan. A very special debt of gratitude goes to Dennis who passed away after a prolonged illness. Dennis was a longtime member of the Friends and a member of the Planning & Design Committee as well as the Building Committee. His contributions and his friendship were greatly valued by all.

December saw the return of the Annual Knitters' Sale with handmade items sold to benefit the Friends. Our knitters meet most Wednesdays throughout the year to share their skill and good humor. Many individual volunteers, including Marilyn Brown, Joyce Hahn, Miriam Whitney, gave freely of their time – my colleagues and I thank them for all that they do. The Goodwin's volunteer gardeners had another great season planting shrubs and maintaining the flower beds around the library. Many hours were spent planting, weeding and watering. The skill and care with which these wonderful volunteers go about their work is evident for all to see. I would like to thank these community members for their dedication and hard work.

The Library Building Committee continued to lead the charge for the new library and I would like to thank all of the committee members, Chairperson Alison Donta-Venman, Alan Weinberg, David Waskiewicz, Molly Keegan, Jack Czajkowski, Jamison Hedin, Lynne Latham, Ken Pollard, and Alexander Rusenko for their amazing efforts. And a special thank you to the late Dennis Meehan for his invaluable contribution to this project from its inception.

Many sponsors provided donations of food for programs and gift certificates for their products as incentives in our Summer Reading Program and in support of various other library events and fundraisers. Flavors of Cook Farms, Barstow's Dairy Store and Bakery, The Quarters, Esselon, Café, Mi Tierra, Four Rex Farm, Peter Waskiewicz, and Primo Pizza were all very generous in their support.

I would like to express my gratitude to all of my colleagues in other town departments for their willingness to collaborate for the benefit of Hadley as a whole. As always, David Nixon made himself available for all sorts of advice and wise counsel. Jennifer Sanders James provided expert support, advice, and a friendly ear on a weekly basis. Linda Sanderson and Joan Zuzgo were always willing to provide expert support on matters related to finances and human resources. Marlo Warner, Gary Berg and the crew of the Highway Department kept our building, parking lot and walkways in great shape throughout the year.

I would like to thank all educators and administrators in the Hadley Schools for allowing us to introduce ourselves at assemblies and meetings to inform students and teachers alike about the collections and services available at the Goodwin. Many thanks to our counterparts in the libraries of Hopkins and Hadley Elementary.

As ever I am thankful for the leadership provided by our Trustees. The incredible changes in our library are largely the result of their vision and tenacity. The library staff and I would also like to say "thank you," to Caryn Perley who resigned from the board in 2018 after more than ten years and also "welcome," to Meghan Campbell who took over as a Trustee in the interim.

To all of the residents of Hadley I would like to express my appreciation for the support that the library receives year after year. I hope that our library services continue to meet your expectations. The Goodwin is your community library.

Finally, I would like to thank the staff of the Goodwin Memorial Library – Susan Brown, Luna Greenwood, Karen Kowles, Sierra Damato, Talula Patenaude, and Alexander Rusenko – for their professionalism and dedication to service. I am proud to work beside them.

Respectfully submitted,

Patrick Borezo
Library Director

Goodwin Memorial Library Trustees

Dear Select Board Members and Fellow Hadley Residents,

While we celebrate incredible growth and new beginnings for the Goodwin Memorial Library this year, we also celebrate the life of a driving force for a new library. Dennis Meehan moved to Hadley with his wife from eastern MA in 2009. They immediately got involved at the Goodwin and helped to revitalize the Friends of the Goodwin Memorial Library. Dennis' background as an accountant provided a strong and sensible voice through the process of the planning and design grant and then on to the building committee. Dennis stayed true to what would be the best choice for the future of the residents Hadley, always considering staffing and operational costs of a new library. The loss of Dennis this winter was a loss for the Trustee, Friends, the Building Committee, and the Town of Hadley. We are grateful to have had the opportunity to know and work with him.

Also this year, Caryn Perley, longtime Trustee, retired and moved to Cape Cod with her husband Jim. Caryn served as a Trustee, Trustee Chair and Trustee Co-Chair. One of her first library projects was the handicap accessible ramp. She continued to support the future of the Goodwin right up to her move last fall. Her ability to work with all, while keeping a solid vision for

the Goodwin will be missed by the board.

We welcome Meghan Campbell, parent of 3, and regular library user to the Board. Meghan and her family participate regularly in children's programming and she can often be found at the Goodwin during daytime hours.

The trustees echo the sentiments of our director Patrick Borezo. We would like to thank all volunteers, staff and town employees mentioned by Patrick. These people work tirelessly to help ensure a future for the Goodwin Library.

In addition, the trustees are grateful, as always for the leadership of our director, Patrick Borezo. Under his leadership we have continued to remain a strong local library while continuing to plan for our future.

The trustees look forward to the busy year ahead, constructing a new library while keeping up the current services residents are used to.

Respectfully submitted,

Jo-Ann Konieczny, Library Trustee Chair
On behalf of the Goodwin Memorial Library Trustees

THE BOARD OF ASSESSORS

TO THE SELECT BOARD AND THE CITIZENS OF THE TOWN OF HADLEY:

During 2018 the Board successfully completed the FY2019 recertification of values with the D.O.R. and recommended a single tax rate for all classes of property. Board members and office staff attended several educational meetings to be better able to serve the public. The Assessor’s Office will work to perform the tax assessment function adequately and equitably. We also continue to develop our cooperative relationship with all of the other town departments and the public we serve. Our office remains open weekdays from 9:00 a.m. to 4:00 p.m. and has evening office hours during posted meetings.

Respectfully submitted,
Jeffrey Charles Mish, Chairman
Raymond Charles Szala
Richard Grader

An asterisk(*) after an employee's name indicates that the "Reg. Earnings" include additional					
pay for answering fire calls after regular work hours.					
O/S Duty is paid by Vendor (Burials, Fire Inspections, Police Detail).					
Other Earnings are generally for work performed outside of the scope of ones normal job and work hours.					
This may include Cem. Maint., Coaching, Co-Curricular Activities, Election Work, Programs,					
Stipends, Longevity, etc.					
Respectfully submitted,					
Linda Sanderson, Treasurer
